**Registration Restrictions:**
- Enrollment is limited to students with a major in Accounting, Business Administration or Business Admin - Fast Track.
- Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

**MBA 745: International Financial Reporting.** 0-3 credits. Examines accounting from an international perspective, including the study of various functional areas of accounting across countries and the reporting requirements encountered by companies engaged in international trade and making foreign direct investments. Offered by School of Business. May be repeated within the degree for a maximum 3 credits. Equivalent to ACCT 745.

**Recommended Prerequisite:** Completion of MBA or MSA core requirements, or permission of program director.

**Registration Restrictions:**
- Enrollment is limited to students with a major in Accounting or Business Administration.
- Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

**MBA 746: Real Estate Analysis and Valuation.** 0-3 credits. Overview of real estate assets, markets, and decisions. Emphasizes development of analytical techniques and information required for implementation. Includes legal, economic, and public policy perspectives. Offered by School of Business. May be repeated within the degree for a maximum 3 credits. Equivalent to GBUS 746, GSOM 746.

**Recommended Prerequisite:** Completion of MBA or MSA core requirements or permission of the program director.
Registration Restrictions:
Enrollment is limited to students with a major in Accounting or Business Administration.

Enrollment is limited to Graduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

MBA 747: Real Estate Finance. 0-3 credits.
Examines financing of residential and income-producing real estate from perspectives of both suppliers and users of funds. Focuses on financing alternatives, primary and secondary markets, and decision implications of available arrangements. Offered by School of Business. May be repeated within the degree for a maximum 3 credits. Equivalent to GBUS 747, GSOM 747.

Recommended Prerequisite: Completion of MBA or MSA core requirements or permission of the program director.

Registration Restrictions:
Enrollment is limited to students with a major in Accounting or Business Administration.

Enrollment is limited to Graduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

MBA 748: Real Estate Investment. 0-3 credits.
Develops frameworks for analyzing decisions about investing in real estate assets. Focuses on acquisition and analysis of information required to evaluate potential performance of assets. Applications of theories and techniques through case studies. Offered by School of Business. May be repeated within the degree for a maximum 3 credits. Equivalent to GBUS 748, GSOM 748.

Recommended Prerequisite: Completion of MBA or MSA core requirements or permission of the program director.

Registration Restrictions:
Enrollment is limited to students with a major in Accounting or Business Administration.

Enrollment is limited to Graduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

MBA 752: Turning Ideas into Successful Companies. 0-3 credits.
An advanced course in entrepreneurship focused on discovery and development of an achievable business concept. The centerpiece of the course is development of the formal business plan and associated presentation materials. Students are assigned to teams and must hypothesize a new business, research and test their hypothesis, and develop a comprehensive written business plan. The plan must be for an actual business that the students intend to start upon the successful completion of the course. Technology-based projects are encouraged, but not required. Because the course is cross-listed with IT&E and the School of Business, most teams will include both engineering and business students. Weekly presentations of the team’s progress are required.

Offered by School of Business. May be repeated within the degree for a maximum 3 credits.

Recommended Prerequisite: Completion of MBA or MSA core requirements or permission of the program director.

Registration Restrictions:
Enrollment is limited to students with a major in Accounting, Business Administration or Business Admin - Fast Track.

Enrollment is limited to Graduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

MBA 795: Global Business Perspectives. 0-3 credits.
Applies MBA core courses to global business enterprise through site visits to facilities located outside the United States. Offered by School of Business. May be repeated within the degree for a maximum 3 credits.

Recommended Prerequisite: Completion of MBA or MSA program or permission of the program director.

Registration Restrictions:
Enrollment is limited to students with a major in Accounting or Business Administration.

Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

MBA 796: Directed Studies in Business Administration. 1-3 credits.
Approval by faculty member and MBA program director required prior to registration. Studies specialized topics in business administration not otherwise available in curriculum. Offered by School of Business. May be repeated within the degree for a maximum 3 credits.
