5400 Nguyen Engineering Building
Fairfax Campus

Phone: 703-993-3565

Email: msait@gmu.edu

Website: <http://ist.gmu.edu/programs/graduate-programs/>

This graduate certificate offers courses in four key elements of cyber security. It is designed for professionals who work for, or in support of, U.S. federal agencies and provides post-bachelor's academic preparation for students who may not wish to complete a full master's degree program as well as for master's graduates who wish the topic-specific courses the certificate provides.

The graduate certificate may be pursued on a full or part-time basis.

Admissions & Policies

Admissions

A bachelor's degree is required for admission to the certificate.

Requirements

Certificate Requirements
