

HEALTH PSYCHOLOGY MINOR

Banner Code: HPSY

Academic Advising

2086 David King Hall
Fairfax Campus

Email: ugpsyc@gmu.edu

Website: psychology.gmu.edu/programs/la-minor-psyc-hpsy

This minor is designed to help students better understand psychological factors that influence overall health. The courses provide instruction on factors that have the potential to impact both physical and psychological health. These include the roles of cognitive processes, health beliefs and behaviors, emotions, psychosocial circumstances and personality traits, all factors that may influence overall health and well-being.

¹ When topic is related to health and well-being and approved by Psychology Associate Chair of Undergraduate Studies.

Admissions & Policies

Policies

Eight credits of coursework must be unique to the minor and students must complete all coursework with a minimum GPA of 2.00. For policies governing all minors, see AP.5.3.4 Minors.

Requirements
