

BIOLOGY MINOR

Banner Code: BIOL

Academic Advising

Exploratory Hall, Room 1200
Fairfax Campus

Website: biology.gmu.edu/academics/degree-programs/

Admissions & Policies

Policies

Eight credits of coursework must be unique to the minor. For policies governing all minors, see AP.5.3.4 Minors.

Candidates for the minor in biology must complete required coursework with a minimum GPA of 2.00 or better and must earn a grade of 'C' or better in BIOL 213 Cell Structure and Function (Mason Core).

Requirements

Minor Requirements

Total credits: 19-21

Students should refer to the Admissions & Policies tab for specific policies related to this program.

Coursework

BIOL 213	Cell Structure and Function (Mason Core)	4
