Learning Solutions serves as Mason's initial point of contact and referral for the business and professional community, and responds to all professional development and continuing education inquiries, requests, and needs. Supported program activities include contracted academic credit programs, noncredit public programs and seminars, online courses, professional certificate programs, continuing education units (CEUs), on-site contract training programs, special professional development events and programs, special workforce development programs, and training center facilities.

Learning Solutions is strategically located at the Arlington Campus in Founders Hall and the Science and Technology Campus in Manassas. Current program information, offerings, and capabilities can be reviewed at their website (<http://ls.gmu.edu>).
