## Office of Military Services

The mission of the Office of Military Services at Mason is to assist veterans, active duty service members, guardsmen, reservists, and dependents in making a successful transition into the Mason community. Our goal is to help these students in a number of capacities including counseling and advising on benefits, academic and admissions advising, and career transition. Few schools have a dedicated staff to help transition from a military environment to college life and we are proud to be able to assist our students in any way.

Located within the Office of Admissions, the Office of Military Services understands personally that the transition to student life can be challenging, yet rewarding. Along with the entire university community, we are grateful to you and your family members for your service to our country. We are dedicated to providing the services you need to successfully navigate this transition.

To schedule a time to meet with a Transition Coordinator, email [military@gmu.edu](mailto:military@gmu.edu) or call 703-993-1316.
