

HEALTH AND SOCIAL POLICY MINOR

Banner Code: HSP

Website: <https://chhs.gmu.edu/students/academic-advising/undergraduate-advising/health-administration-and-policy-advisors>

The minor in Health and Social Policy introduces students to the context and process for public policymaking in health care and social services. Students will examine the current environment for health and social policy, learn the basic elements of the public policymaking process, and apply this knowledge in a practical research endeavor. This minor is a joint program offered by the Department of Health Administration and Policy and the Department of Social Work.
