- Bret Johnson, Academic Director

The Accounting Analytics Graduate Certificate is for students and working professionals to pair their accounting knowledge and skills with data and analytical knowledge. The certificate program will provide a building block for Master's in Accounting students and working professionals seeking a career change or advancement and provides a foundation to compete for current accounting employment opportunities. To verify if this certificate currently qualifies for Title IV Federal Financial Aid please visit the unit website (<https://business.gmu.edu/programs/graduate/admissions/>).

Admissions & Policies

Admissions

All students registering for School of Business graduate courses must have graduate standing. Non-degree student status is not available.

Full eligibility and admission requirements can be viewed on the School of Business website (<https://business.gmu.edu/programs/graduate/admissions/>).

Policies

Students may use the credits completed as part of their graduate degree requirements in accordance with program requirements and AP6 Graduate Policies (<http://catalog.gmu.edu/policies/academic/graduate-policies/>). A maximum of 3 graduate credits taken at another institution can be transferred to the graduate certificate. The time limit for completion is six years from the date of admission to the graduate certificate. Students must have a minimum GPA of 3.00 to complete the certificate.

Graduate level courses offered by the School of Business cannot be audited.
