The mission of the School of Business is to prepare a diverse student body to succeed in a global business environment. Through the faculty's creation and dissemination of business knowledge, practice, and pedagogy, we enable our students to develop analytical and communication skills and to practice ethical business behavior.

Business leaders and organizations are actively involved with the School of Business through executive education programs, speaker engagements, classroom lectures, case competitions, internships, and career placement. The School of Business also maintains close connections to the business community through its advisory board and advisory councils to academic programs. 220 business leaders representing 168 different companies serve as advisory board (including Friends of the Alumni Chapter Board) or council members.

The School of Business enrolls more than 4,000 undergraduate students and more than 550 graduate students in its programs.

The School of Business’s programs offer students a variety of opportunities to enhance their professional endeavors.

- Our innovative curriculum meets the demands of the marketplace, focused on business fundamentals, strategic thinking and teamwork.
- Our distinguished faculty are cross-disciplinary collaborators and innovative practitioners that are passionate about education. They bring both theoretical and applied expertise to the classroom.
- Our outstanding career management professionals are dedicated to providing tailored support to promote our students' professional advancement and leverage their degree over the short- and long-term.
- Our diverse student population offers unique opportunities to network and learn from your fellow classmates. Students at Mason represent over 130 different countries and all 50 states.

Graduate

The School of Business offers an MBA, and MS degrees in Accounting, Management, Real Estate Development, and Technology Management.

Highly-qualified Mason Accounting majors may apply to the accelerated master's degree program and obtain both Accounting, BS (http://catalog.gmu.edu/colleges-schools/business/accounting-bs/) and Accounting, MS (http://catalog.gmu.edu/colleges-schools/business/accounting-ms/) degrees after satisfactory completion of a total of 144 credits.

Graduate certificates are offered in Business Analytics, Business Fundamentals, Accounting Analytics, Government Accounting, Forensic Accounting, IT Strategy and Digital Transformation, Chief Information Officer, and Global IT Leadership.

For policies governing all accelerated degree programs, see AP:6.7 Bachelor's/Accelerated Master's Degrees (http://catalog.gmu.edu/policies/academic/graduate-policies/#ap-6-7).

Centers

The School of Business houses four centers. The Center for Innovation and Entrepreneurship provides experiential learning through academic programs as well as hands-on programs for Mason students interested in innovation, invention, early stage startups, and entrepreneurship. The Center for Real Estate Entrepreneurship focuses on real estate research and education in real estate development and finance. The Investor Protection & Corporate Fraud Research Center strives to provide thought leadership on investor protection and fraud risk by sponsoring, conducting, and disseminating research in these areas. The Center for Infrastructure Protection & Homeland Security conducts research, develops projects, and provides expert analysis and insight into policy across a variety of infrastructure sectors and related fields, including energy, transportation, cyber-security, defense and finance. The Center for Government Contracting has established the first-in-the-nation university center to address business, policy, regulatory and other issues in government contracting.

Marketing
Abratt, Cheng, Harvey, Hoppner, Joiner, Josephson, Meamber, Mishra, Tretolfa, Vadakkepatt, Vlastara

Requirements & Policies

Policies

Academic Policies
Students should become familiar with the university’s general academic policies (http://catalog.gmu.edu/policies/academic/) in addition to those specific to each academic unit.

E-mail
George Mason University uses only Mason e-mail accounts to communicate with enrolled students. Students should activate their Mason e-mail, use it to communicate with their school/department/program and other administrative units, and check it regularly for important information.

Study Elsewhere Policy
A student who has matriculated at Mason may transfer a limited number of hours (9 for undergraduates, 6 for graduates) of coursework in School of Business disciplines from another institution (not including registration through the Consortium of Universities of the Washington Metropolitan Area or coursework completed through the Center for Global Education). Students are permitted to take courses elsewhere under unusual circumstances—these circumstances do not include scheduling or commuting convenience, or financial (lower cost) reasons.

Special instructions for School of Business students: courses that are attempted at a two-year institution may not be used to fulfill upper-level requirements. Any course that a student wished to transfer to fulfill major or graduate-level course requirements in the School of Business must be attempted at an institution accredited by the Association to Advance Collegiate Schools of Business (AACSB).

For additional information, see AP.1.4.2 Permission to Study Elsewhere (http://catalog.gmu.edu/policies/academic/registration-attendance/#ap-1-4-2).

Undergraduate Internship Policy
The School of Business recognizes the importance of experiential education in both learning to apply theory to practice and positioning students for success in their careers. Because the School of Business is committed to supporting students’ professional success, the School requires that all student internships for credit be registered with the School of Business as one of the following: ACCT 492, FNAN 492, MGMT 492, MIS 492, MKTG 492, or OSCM 492. Students may enroll in a maximum of 6 credits for these courses. Only three credits of an internship course may be taken at a time. For students in catalog years Fall 2016 and beyond, one internship course may apply to the major or concentration, and a second internship course would apply as general elective credit. For students in catalog years prior to Fall 2016, a maximum of 6 credits of internship may apply to general electives. See Internship for Academic Credit (https://business.gmu.edu/career/bus492/).

Termination from the Major
Students who do not earn a C or higher in three attempts of School of Business Foundations and Core courses will be terminated from the School of Business. Students terminated from the School of Business are prohibited from enrolling in any School of Business course and will not be eligible to receive a degree from the School of Business.

Once a student has attempted a School of Business Foundations and/or Core course twice unsuccessfully, they must meet with an academic advisor in order to receive an override to register for the third attempt. Students who do not successfully complete these core courses and foundations courses within three attempts will be terminated from the School of Business and will not be eligible to receive a degree from the School of Business. Students terminated from the School of Business are prohibited from enrolling in any School of Business course.

Students terminated from the School of Business are permitted to declare the business minor only, and are not able to declare any other School of Business minors. For more information about this, see AP.5.2.4 Termination from the Major (http://catalog.gmu.edu/policies/academic/undergraduate-policies/#ap-5-2-4). The School of Business Termination Policy is separate from the University Repeat Policy AP.1.3.4. (http://catalog.gmu.edu/policies/academic/registration-attendance/#text)

All School of Business courses require a C or higher with the exception of FNAN 303 Financial Management for Finance majors or those with a Concentrations in Finance (B- or higher is required). No upper-level major required or elective course may be attempted for a C or higher more than three times. Once a third unsuccessful attempt is made in a School of Business major required or elective course the student will be unable to pursue that major/concentration and must work with an academic advisor to declare a new major/concentration in the School of Business.

University Consortium
Students should review university policies regarding the University Consortium under Special Registration Procedures in the Academic
Policies section of this catalog. Students who have attempted or failed a course at Mason are not permitted to take the equivalent course through the consortium under any circumstance. All consortium registration requests must be submitted to the dean’s office at least 3 weeks prior to the first day of classes for the relevant semester at Mason.

Any consortium course that a student wishes to register for to fulfill major or graduate-level course requirements in the School of Business must be attempted at an institution accredited by the Association to Advance Collegiate Schools of Business (AACSB).

Non-Business School Student Credit Limitation

Enrolled undergraduate students who are not declared in a School of Business major are limited to 9 credits of upper-level business coursework within the School of Business. This policy applies to any student who is declared in another major or program at Mason. This policy does not apply to students who have declared a School of Business minor and are earning required credit toward that minor.

Undergraduate Course Overload Policy

The School of Business recommends that undergraduate students attempt no more than 18 credits in an academic semester and no more than 14 credits in a summer term. Students wishing to attempt more than 18 credits must submit a Permission to Overload form to their academic advisor.

To be eligible for a course overload, a student must fulfill all of the following criteria:

- At least a 3.0 cumulative GPA at Mason
- Have completed all courses successfully in his/her previous semester with no Fs or incompletes (IN)
- Complete the Permission to Overload form and obtain an academic advisor's signature

Freshmen and transfer students in their first semesters are not given permission for overloads as they have yet to establish an academic record at George Mason University.

If approved for an overload, the student is responsible for adding the additional course(s) and paying for the related tuition by the official university deadlines.

Transfer Credit Expiration Policy

Transfer credit is not awarded for any business (management, marketing, finance, accounting, management information systems, operations management, foundations, core, or any other School of Business course), courses completed more than ten years prior to Mason enrollment. This includes any older courses completed at RBC or the VCCS.

Laptop Policy

All School of Business Undergraduate Students must have access to a portable computing device that meets the following minimum standards. (http://business.gmu.edu/media/com_managedlists/72/Laptop-Requirements-AY2021.pdf)

Appeals Process

The School of Business strives to maintain policies and procedures that are consistent with those of the University, as well as in the best interest of our students. If you have any questions concerning a particular policy or procedure, contact the Office of Student Success & Academic Services, Room 008 of Enterprise Hall (703-993-1880) or visit the website (http://business.gmu.edu).

Courses Excluded from any School of Business BS Degree

Transfer credit is not awarded for any School of Business courses completed more than ten years prior to Mason enrollment.
