Administration

• Laurie Meamber, Chair, Marketing Area

The Bachelor of Science in Marketing prepares students for a broad range of global and domestic career options in corporations, small businesses, government, and nonprofits. A marketing degree provides students with a solid foundation in marketing management for understanding the needs of the customer, the value organizations create for their customers, and opportunities and threats in the global marketplace. Students learn marketing concepts and practices related to consumer behavior, marketing research and analytics, and marketing planning and strategy (product development, pricing, distribution, and advertising and promotions). Our graduates work in such diverse fields as advertising and marketing communications, product and brand management, customer relationship management, new product/service development, new market and business development, sales, retail management, marketing research and analytics, and digital and social media marketing.

Admissions & Policies

Policies

Academic Policies

Students should become familiar with the university’s general academic policies in addition to those specific to each academic unit.

E-mail

George Mason University uses only Mason e-mail accounts to communicate with enrolled students. Students should activate their Mason e-mail, use it to communicate with their school/department/ program and other administrative units, and check it regularly for important information.

Study Elsewhere Policy

A student who has matriculated at Mason may transfer a limited number of hours (9 for undergraduates, 6 for graduates) of coursework in School of Business disciplines from another institution (not including registration through the Consortium of Universities of the Washington Metropolitan Area or coursework completed through the Center for Global Education). Students are permitted to take courses elsewhere under unusual circumstances—these circumstances do not include scheduling or commuting convenience, or financial (lower cost) reasons.

Special instructions for School of Business students: courses that are attempted at a two-year institution may not be used to fulfill upper-level requirements. Any course that a student wished to transfer to fulfill major or graduate-level course requirements in the School of Business must be attempted at an institution accredited by the Association to Advance Collegiate Schools of Business (AACSB).

For additional information, see AP.1.4.2 Permission to Study Elsewhere.

Undergraduate Internship Policy

The School of Business recognizes the importance of experiential education in both learning to apply theory to practice and positioning students for success in their careers. Because the School of Business is committed to supporting students’ professional success, the School requires that all student internships for credit be registered with the School of Business as one of the following: ACCT 492, BUS 492, FNAN 492 (https://catalog.gmu.edu/search/?scontext=course&search=FNAN+492), MGMT 492 (https://catalog.gmu.edu/search/?scontext=course&search=MGMT+492), MIS 492 (https://catalog.gmu.edu/search/?scontext=course&search=MIS+492), MKTG 492 (https://catalog.gmu.edu/search/?scontext=course&search=MKTG+492), OSCM 492 or OM 492 (https://catalog.gmu.edu/search/?scontext=course&search=OM+492). Students may enroll in a maximum of 6 credits for these courses. For students in catalog years Fall 2016 and beyond, one internship course may apply to the major, and a second internship course would apply as elective credit. For students in catalog years prior to Fall 2016, a maximum of 6 credits of internship may apply to general electives.

Termination from the Major

A grade of C or higher is required in each of the School of Business listed core courses. Students will not be permitted to make more than three attempts to achieve a C or higher in the following School of Business core courses: ACCT 303 Accounting for Decision Making or ACCT 330 Financial Accounting I, BULE 303 Legal Environment of Business, BUS 303 Develop Professional Skills II: Advanced Elements, FNAN 303 Financial Management, MGMT 303 Principles of Management, MIS 303 Introduction to Business Information Systems (Mason Core), MKTG 303 Principles of Marketing OM 303 Operations Management and OSCM 303 Operations Management. Once a student has attempted a School of Business Core or Accounting major course twice unsuccessfully, they must meet with an academic advisor in order to receive an override to register for the third attempt. Those who do not successfully complete these core courses within three attempts will be terminated from their major and will not be eligible to receive a degree from the School of Business. Students terminated from the School of Business are prohibited from enrolling in any School of Business course. Students terminated from the School of Business are permitted to declare the business minor only, and are not able to declare any other School of Business minors. Student are limited to three attempts at ACCT 330. Any student who is unable to achieve a C or higher in ACCT 330 on the third attempt will not be able to pursue a Major in Accounting or Finance. For more information about this, see AP.5.2.4 Termination from the Major.

University Consortium

Students should review university policies regarding the University Consortium under Special Registration Procedures in the Academic Policies section of this catalog. Students who have attempted or failed a course at Mason are not permitted to take the equivalent course through the consortium under any circumstance. All consortium registration requests must be submitted to the dean’s office at least 3 weeks prior to the first day of classes for the relevant semester at Mason.

Any consortium course that a student wishes to register for to fulfill major or graduate-level course requirements in the School of Business
must be attempted at an institution accredited by the Association to Advance Collegiate Schools of Business (AACSB).

**Non-Business School Student Credit Limitation**
Enrolled undergraduate students who are not declared in a School of Business major are limited to 9 credits of upper-level business coursework within the School of Business. This policy applies to any student who is declared in another major or program at Mason. This policy does not apply to students who have declared a School of Business minor and are earning required credit toward that minor.

**Undergraduate Course Overload Policy**
The School of Business strives to maintain policies and procedures that are consistent with those of the University, as well as in the best interest of Business operations management, foundations, core, or any other School of Business course), courses completed more than ten years prior to Mason enrollment. This includes any older courses completed at RBC or the VCCS.

To be eligible for a course overload, a student must fulfill all of the following criteria:

- At least a 3.0 cumulative GPA at Mason
- Have completed all courses successfully in his/her previous semester with no Fs or incompletes (IN)
- Complete the Permission to Overload form and obtain an academic advisor's signature

Freshmen and transfer students in their first semesters are not given permission for overloads as they have yet to establish an academic record at George Mason University.

If approved for an overload, the student is responsible for adding the additional class(es) and paying for the related tuition by the official university deadlines.

**Transfer Credit Expiration Policy**
Transfer credit is not awarded for any business (management, marketing, finance, accounting, management information systems, operations management, foundations, core, or any other School of Business course), courses completed more than ten years prior to Mason enrollment. This includes any older courses completed at RBC or the VCCS.

**Appeals Process**
The School of Business strives to maintain policies and procedures that are consistent with those of the University, as well as in the best interest of our students. If you have any questions concerning a particular policy or procedure, contact the Office of Student Success & Academic Services, Room 008 of Enterprise Hall (703-993-1880) or visit the website (http://business.gmu.edu).

**Courses Excluded from any School of Business BS Degree**
Transfer credit is not awarded for any School of Business courses completed more than ten years prior to Mason enrollment.

Requirements

Degree Requirements
Total credits: 120

School of Business students pursuing a BS degree must complete a minimum of 120 credits, including the Mason Core requirements, business foundations, business core and major requirements. In addition, the following requirements must be met:

- A minimum of 45 credits at the 300- or 400-level.
- A minimum of 30 credits of School of Business core and major courses at Mason.
- At least 9 credits required for the specific major and BUS 498 Capstone Course: Advanced Business Models (Mason Core) taken at Mason.
- A grade of C or higher earned in the business foundations, business core and major requirements.

Students should carefully examine prerequisites for School of Business courses. Students may be removed from a course if they enroll without having fulfilled the prerequisites.

Mason Core Requirements

School of Business students must complete the Mason Core requirements, plus 1 additional credit of natural science (the School of Business natural science requirement must be fulfilled by completing two 4-credit laboratory sciences). Some Mason Core requirements may already be fulfilled by the major requirements listed below. Students are strongly encouraged to consult their advisors to ensure they fulfill all remaining Mason Core requirements.

Total Credits 24

Note:

1 School of Business students required to complete 8 credits of natural science by completing two 4-credit laboratory sciences.
Students will not be permitted to make more than three attempts to achieve a C or higher in this course. Those who do not successfully complete these core courses within three attempts will be terminated from their major and will not be eligible to receive a degree from the School of Business. Students terminated from the School of Business are prohibited from enrolling in any School of Business course. Students terminated from the School of Business are permitted to declare a business minor. For more information about this, see AP.5.2.4 Termination from the Major.

General Electives
