Overview

The Digital Humanities minor is designed to help students expand their ability to make humanities arguments using digital tools. This minor takes an interdisciplinary, expansive view of the humanities, including courses from across the college. Students will learn how to interpret, analyze, and use digital methods to communicate in new and innovative ways, including skills such as digital rhetoric, podcast creation, mapping, and data visualization.

Admissions & Policies

Policies

Eight credits of coursework must be unique to the minor and students must complete all coursework with a minimum GPA of 2.00.

For policies governing all minors, see AP.5.3.4 Minors (http://catalog.gmu.edu/policies/academic/undergraduate-policies/#ap-5-3-4).

Requirements

Minor Requirements

Total credits: 16

Students should be aware of the specific policies associated with this program, located on the Admissions & Policies tab.
