Admissions & Policies

Admissions

Applicants to all graduate programs at George Mason University must meet the admission standards and application requirements for graduate study as specified in Graduate Admissions.

Policies

For policies governing all graduate degrees, see AP.6 Graduate Policies.

Requirements

Degree Requirements

Total credits: 30

Note: As of catalog publication in April, the program described below has been approved by the Board of Visitors and sent to the State Council of Higher Education in Virginia (SCHEV) for consideration as a new degree program. The university cannot accept applications or enroll students in this program until SCHEV approval has been granted. Check the school/department website for current program status.

Students should be aware of the specific policies associated with this program, located on the Admissions & Policies tab.

Fundamentals of Industrial/Organizational Psychology
