# **BIODEFENSE GRADUATE CERTIFICATE**

**Banner Code: PP-CERG-BIOD** 

#### **Academic Advising**

560 Van Metre Hall Mason Square Campus

336 Aquia Building Fairfax Campus

Website: schar.gmu.edu

The certificate provides an interdisciplinary introduction to man-made and natural biological threats, including a background in the science and technology of biodefense and the specialized areas of threat assessment, non-proliferation, and medical and public health preparedness. Students already pursuing a master's degree in the school may, after admission to a certificate program, in most cases, earn an additional six credits (two courses) in the Schar School to receive a certificate in addition to the master's degree.

The graduate certificate may be pursued on a part-time or full-time basis.

### **Admissions & Policies**

#### **Admissions**

Applicants to all graduate programs must meet the admission standards and application requirements for graduate study as specified in Graduate Admission Policies (http://catalog.gmu.edu/admissions/graduate-policies/). Participants must be admitted to a certificate program. Admissions requirements may be found on the Schar School certificate admissions website.

#### **Policies**

For policies governing all graduate certificates, see AP.6.8 Requirements for Graduate Certificates (http://catalog.gmu.edu/policies/academic/graduate-policies/#ap-6-8).

#### **Termination from Program**

Students admitted to a Schar program will be terminated from the program upon receiving one grade of F and are no longer eligible to take courses in the school. Per university regulation, students are terminated from the university after accumulating grades of F in two courses or 9 credits of unsatisfactory grades in graduate courses. See AP.6.6.2 Academic Termination (http://catalog.gmu.edu/policies/academic/graduate-policies/#ap-6-6-2).

### Requirements

## **Certificate Requirements**

Total credits: 15

This certificate may be pursued on a full-or part-time basis.

#### **Required Courses**

Code	Title	Credits	
BIOD 604	Emerging Infectious Diseases I: Bacteria and Toxins	3	
BIOD 609	Biodefense Strategy	3	
Total Credits		6	

#### **Flectives**
