The Schar School of Policy and Government offers certificates in conjunction with its master’s programs. Students already pursuing a master’s degree in the school may, in most cases, after admission to a certificate, earn an additional six credits (two courses) in Schar to receive a certificate in addition to the master’s degree.

The graduate certificate in emergency management and homeland security may only be pursued on a part-time basis.

Admissions & Policies

Admissions

Applicants to all graduate programs must meet the admission standards and application requirements for graduate study as specified in the Graduate Admission Policies (http://catalog.gmu.edu/admissions/graduate-policies/) section of this catalog. Participants must be admitted to a certificate program. Admission requirements are the same as those for the master’s programs and may be found on the Schar admissions web site (http://spgia.gmu.edu/admissions/).

Policies

For policies governing all graduate certificates, see AP6.8 Requirements for Graduate Certificates (http://catalog.gmu.edu/policies/academic/graduate-policies/#ap-6-8).

Termination from Program

Students admitted to a Schar program will be terminated from the program upon receiving one grade of F and are no longer eligible to take courses in the school. Per university regulation, students are terminated from the university after accumulating grades of F in two courses or 9 credits of unsatisfactory grades in graduate courses. See the Academic Policies (http://catalog.gmu.edu/policies/academic/) section of the catalog for additional policies pertaining to graduate students.
