The Schar School offers certificate programs in conjunction with its master’s programs. Students already pursuing a master’s degree in the school may, in most cases, after admission to a certificate program, earn an additional six credits (two courses) in Schar to receive a certificate in addition to the master’s degree.

The graduate certificate may be pursued on a part-time or full-time basis.

**Admissions & Policies**

**Admissions**

**Requirements**

Applicants to all graduate programs must meet the admission standards and application requirements for graduate study as specified in Graduate Admission Policies. Participants must be admitted to a certificate program. Admission requirements are the same as those for the master's programs and may be found with Schar Admissions (http://schar.gmu.edu/admissions).

**Policies**

For policies governing all graduate certificates, see AP.6.8 Requirements for Graduate Certificates.

**Termination from Program**

Students admitted to a Schar program will be terminated from the program upon receiving one grade of F and are no longer eligible to take courses in the school. Per university regulation, students are terminated from the university after accumulating grades of F in two courses or 9 credits of unsatisfactory grades in graduate courses.
