Admissions & Policies

Admissions
Applicants to all graduate programs must meet the admission standards and application requirements for graduate study as specified in Graduate Admission Policies (http://catalog.gmu.edu/admissions/graduate-policies/). Participants must be admitted to a certificate program. Admission requirements are the same as those for the master’s programs and may be found with Schar Admissions (http://schar.gmu.edu/admissions/).

Policies
For policies governing all graduate certificates, see AP.6.8 Requirements for Graduate Certificates (http://catalog.gmu.edu/policies/academic/graduate-policies/#ap-6-8).

Termination from Program
Students admitted to a Schar program will be terminated from the program upon receiving one grade of F and are no longer eligible to take courses in the school. Per university regulation, students are terminated from the university after accumulating grades of F in two courses or 9 credits of unsatisfactory grades in graduate courses. For policies governing all graduate degrees, see Graduate Policies (http://catalog.gmu.edu/policies/academic/graduate-policies/).
