

# HEALTH SYSTEMS MANAGEMENT MINOR

**Banner Code:** HSMG

## Academic Advising

Website: <https://publichealth.gmu.edu/students/academic-advising>  
(<https://publichealth.gmu.edu/students/academic-advising/>)

Introduces students to the context and foundational knowledge required for managerial or administrative work within a healthcare system, physician practice, advocacy organizations, professional organizations, community health, and health care consulting. Students will examine the current state of health care in the United States with emphasis on leadership, performance improvement, and health care politics and policy. This minor is not intended for students with a major in Health Administration with a concentration in Health Systems Management as many of the required classes will overlap with the minor course work.

HAP 392	Human Resources Management in Healthcare
HAP 395	Healthcare Finance
HAP 410	Introduction to Health/Medical Practice Management
HAP 417	Leadership and Management of Health Systems II
MKTG 303	Principles of Marketing
MGMT 451	Introduction to Entrepreneurship
<b>Total Credits</b>	
	<b>3</b>

## Admissions & Policies

### Policies

At least 9 credits must be unique to the minor and cannot be used to fulfill the program of study requirements of the student's major, concentration, undergraduate certificate, or another minor. Students must complete all coursework with a minimum GPA of 2.00. Students should be familiar with university-wide requirements for minors described in AP5.3.4 Minors (<http://catalog.gmu.edu/policies/academic/undergraduate-policies/#ap-5-3-4>).

This minor is not intended for students in the BS Health Administration degree with a concentration in Health Systems Management, as many of the required classes will overlap with the minor course work.
