The BA degree stresses the breadth of a liberal arts education in the belief that such study, combined with serious practical training and experience, offers the best preparation for a life in theater and screen.

Students complete the theater core. To organize their advanced work within the major, students select 24 credits of 300-400-level courses, chosen from any area of emphasis in Theater or students elect a course of study from four concentrations:

- Performance (Acting and Directing)
- Design and Technical Theater
- Playwriting and Dramaturgy
- Theater Education for Theater Arts PK-12
- Theater Studies

Concentration in Performance (PFM)
Designed for the serious student of acting and directing with professional aspirations. Solid grounding in the fundamentals of performance analysis and basic training of the actor’s instrument are complemented by a rigorous, sequential instruction in the various facets of the actor’s craft.

At its core, the Performance Concentration is a blend of Modern and Classical actor training using a Stanislavski-grounded approach balanced with techniques for understanding texts written two hundred years before “motivation” and "characterization" entered the critical vocabulary. Rounding out the curriculum is specialized study in vocal production and movement technique. Matriculation in this program expresses a profound commitment to a rigorous intellectual, physical and emotional investigation of the discipline of performance over a two-year period. Professional development is enhanced with ongoing student progress reviews, support and advising from Performance Concentration faculty.

Total Credits 46

Concentration in Playwriting and Dramaturgy (PWD)
Acknowledges a creative and practical connection between the work of the playwright and dramaturg. Students choosing this area of specialization will focus on the literary aspects of theater, such as playwriting, dramaturgy, screenwriting, translation, adaptation, season planning, and theater criticism. Students seeking specialized experience as a playwright or dramaturg will choose from a selection of required and recommended courses designed to expose students to a broad range of contemporary and classical texts, deepen their understanding of dramatic structure, encourage collaboration, and foster opportunities for new play development. Students are encouraged to consult their advisors on complementary courses of interest outside the major, such as in the visual and performing arts, Film and Video Studies, English and Foreign Language. This concentration gives students access to a variety of hands-on opportunities within the School of Theater and the professional world.

Concentration in Theater Education for Theater Arts PK-12 (THEA)

Designed for students interested in pursuing theater education. In addition to transcript review and the submission of an essay detailing goals for the concentration, students must:

- Have earned 45 to 60 credits.
- Submit scores for the Praxis Core (Reading, Writing, and Mathematics) tests to the committee. (It is strongly recommended that students take the Praxis Core tests as soon as ENGH 302 Advanced Composition (Mason Core), a course in literature, and a course in mathematics have been completed.)
- Maintain an overall GPA of 2.80 in all course work completed at Mason and in course work at all institutions of higher learning combined.
- Earn no grade lower than a C in theater and professional education courses needed for graduation.

Upon fulfilling THR 448 Foundations of Theater Education, THR 449 Elementary Theater Education, THR 450 Secondary Theater Education, EDRD 300 Literacy and Curriculum Integration, EDUC 301 Educationally Diverse Populations: Handicapped, Gifted, Multicultural, and EDUC 302 Human Growth and Development students must complete 15 weeks of a full-time student teaching internship (THR 455 Theater Education Internship). Applications for placement, subject to approval of the unit, are submitted to the Field Placement Specialist in the College of Education and Human Development at the beginning of the previous semester. In addition, students must pass the VCLA before student teaching.

Concentration in Theater Studies (THST)

Designed for the Theater generalist. Students pursuing a concentration in Theater Studies will have an individualized program of study focused on the discipline. Students engage with both creative and conceptual inquiry in the development of artistic practice. In consultation with a faculty adviser, the student drafts a curriculum contract outlining an individualized program of courses for a total of 24 credits of upper-division THR courses (300-400 level).

General Electives

BA students must use general electives for one of the following. After fulfilling one of these options, the remaining general electives may be taken inside or outside of the department. All students are required to take a minimum of 45 credits of upper-division courses (300-400 level).

- Demonstrate intermediate-level proficiency in one foreign language (0-9 credits)
- Complete a minor (15-21 credits)
- Complete a double major outside their primary field of study (15-21 credits)
- Complete a double degree outside their primary field of study (15-21 credits)

Honors

Honors in the Major

Highly-qualified students who have completed 75 credits may pursue advanced work leading to graduation with honors in the major. Students apply for Honors in Theater by submitting to the Director (by November 15 or April 15) a two-page written statement outlining their reasons for pursuing advanced coursework and specific professional goals, along with the names of two Mason theater faculty members who have agreed to serve as references.

Students satisfy the honors course sequence by taking three honors-specific courses from their chosen concentration. They must also maintain an overall GPA of 3.50 and a GPA of 3.75 within the major.

Accelerated Master's

Theater, BA/Arts Management, Accelerated MA

Overview

Undergraduates in Theater may apply to the accelerated master's degree in Arts Management. If accepted, students will be able to earn a BA in
Theater and an MA in Arts Management after satisfactory completion of 150 credits.

Students choosing the accelerated option must fulfill all university requirements for the master’s degree. The regular designed timeframe would be a start in the Fall and the completion in the Summer five years later, but longer time frames may also be available.

See AP.6.7 Bachelor’s/Accelerated Master’s Degree for policies related to this program. For policies governing all graduate degrees, see AP.6 Graduate Policies.

**Admission Requirements**

Applicants to accelerated master’s programs must have completed at least 75 credits that apply to their undergraduate degree (with at least 24 credits at Mason) and no more than 90 credits. Applicants should submit an Accelerated Master’s Program Application, available from the College of Visual and Performing Arts (CVPA) Graduate Studies. It includes the proposed conferral date for the undergraduate degree and the two graduate courses that are to be applied to the undergraduate degree.

Interested students should contact the Arts Management Program Office for more details about the application process.

**Accelerated Option Requirements**

As an undergraduate, the accelerated master’s student is to complete the two graduate courses indicated on their Accelerated Master’s Program application with a minimum grade of 3.00 in each course. Students must maintain a minimum GPA of 3.00 in all coursework and in coursework applied to their major. On completion and conferral of the undergraduate degree in the semester indicated in the application, they submit the Bachelor’s/Accelerated Master’s Transition Form (which shall incorporate all of the Graduate Admission requirements of the university) and are admitted to graduate status.

As graduate students, accelerated master’s students have an advanced standing. They must meet all master’s degree requirements except for the two courses (6 credits) they completed as undergraduates. The Internal Internship (AMGT 740 Internal Internship) will be within Theater at Mason (generally with the School of Theater). Students will begin their master’s program in the semester immediately following conferral of the undergraduate degree, and they may also begin in the summer term.

**Reserve Graduate Credit**

Students may take up to 6 additional graduate credits as reserve graduate credit. These credits do not apply to the undergraduate degree. The ability to take courses for reserve graduate credit is available to all high achieving undergraduates with permission of the School of Theater. Permission to take a graduate course for reserve graduate credit is normally granted only to Mason seniors within 15 hours of graduation and must be approved by the Dean’s Office.

To apply these credits to the master’s degree, students must request that the credits be moved from the undergraduate degree to the graduate degree using the Bachelor’s/Accelerated Master’s Transition Form.
