# ATHLETIC TRAINING EDUCATION PROGRAM (ATEP)

## 100 Level Courses

**ATEP 120: First Aid and Emergency Care.** 2 credits.
Covers emergency management procedures for various injuries and sudden illnesses, including 1- and 2-person CPR, and use of an Automated External Defibrillator (AED) for cardiac emergencies and basic first aid techniques; certification in first aid and CPR. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to two attempts.

**Schedule Type:** Laboratory, Lecture

**Grading:**
This course is graded on the Satisfactory/No Credit scale. (http://catalog.gmu.edu/policies/academic/grading/)

**ATEP 150: Introduction to Athletic Training and Preventative Care Techniques.** 3 credits.
Introduces the profession of athletic training and the basic principles of preventative care commonly used in the profession. Topics will include athletic training facility organization and procedures; protective sports equipment; construction of protective devices; and application of protective taping, braces, wrapping, and protective pads. Areas to be studied include the role of the athletic trainer in sports medicine, mechanisms of athletic injuries, tissue response to injury, blood-borne pathogens, introductory techniques of the assessment and evaluation of athletic injuries and emergency procedures. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

## 200 Level Courses

**ATEP 201: Medical and Scientific Terminology.** 3 credits.
Foundations of scientific and medical vocabulary including prefixes, suffixes and stems used to form compound words. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

**ATEP 203: Prevention, Recognition, and Management of Athletic and Fitness Related Injuries.** 3 credits.
Provides coaches and fitness professionals with theory on the prevention, recognition, and management of injuries and conditions that occur in athletic competition and recreational fitness activities. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

## 300 Level Courses

**ATEP 300: Functional Anatomy.** 3 credits.
Increase students’ knowledge and exposure to the structural and functional components of human anatomy including musculoskeletal origins, insertions, actions and innervations. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

**Recommended Prerequisite:** C or better in BIOL 124 and BIOL 125.

**Schedule Type:** Laboratory, Lecture

**Grading:**
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

**ATEP 310: Advanced Functional Anatomy.** 3 credits.
Investigates the musculoskeletal anatomy including innervation, vascular anatomy, and function of the neck, trunk and limbs. Synthesizes anatomy physiology, and human movement as it relates to injury; case studies are used to enhance the understanding of human anatomy and interpret movement impairments. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

**Recommended Corequisite:** ATEP 320.

**Registration Restrictions:**
**Required Prerequisites:** ((ATEP 300<sup>C</sup> or 300<sup>XS</sup>) and (KINE 310<sup>C</sup> or 310<sup>XS</sup>)).
<sup>C</sup> Requires minimum grade of C.
<sup>XS</sup> Requires minimum grade of XS.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Undergraduate Special scale. (http://catalog.gmu.edu/policies/academic/grading/)

**ATEP 325: Athletic Training Foundations.** 3 credits.
Investigates the knowledge, skill and professional foundations of the athletic training. Emphasizes is placed on the role of the athletic trainer as a member of the health care system by decision-making through evidence-based practice and foundational skills including fitting protective equipment and devices, and prophylactic preventative taping. Admission to the professional phase of the ATEP. Offered by School of

Registration Restrictions:
Required Prerequisites: (ATEP 120C or 120XS) and ATEP 150C and (ATEP 201 or 201XS) and (ATEP 300C or 300XS) and (Biol 124C or 124XS) and (Biol 125C or 125XS) and (HEAL 230C or 230XS)).
C Requires minimum grade of C.
XS Requires minimum grade of XS.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 361: Upper Body Therapeutic Interventions. 3 credits.
Utilizes an integrated approach to therapeutic interventions including modalities and rehabilitation in the treatment of upper body, head and neck injuries and conditions. Includes development, implementation, and evaluation of treatment plans for upper body, head and neck injuries. Admission to the professional phase of the ATEP Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

Recommended Corequisite: ATEP 365, ATEP 367, ATEP 370, ATEP 375.

Registration Restrictions:
Required Prerequisites: ATEP 351C, 354C, 330C, 340C and 345C.
C Requires minimum grade of C.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 365: Athletic Training Clinical Techniques 4. 3 credits.
Applies therapeutic interventions for the upper body, head and neck in a laboratory setting. Develops rehabilitation treatment plans and skills necessary to carry out patient care. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

Registration Restrictions:
Students with a class of Freshman or Sophomore may not enroll.

Enrollment is limited to students with a major in Athletic Training.

Schedule Type: Laboratory

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 367: Athletic Training Practicum 1. 2 credits.
Emphasizes physical assessment and therapeutic interventions of the lower body in a clinical immersion practicum field experience under the direct supervision of a preceptor for 150 hours. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

Recommended Corequisite: ATEP 361, ATEP 365, ATEP 370, ATEP 375.

Registration Restrictions:
Required Prerequisites: ATEP 330C, 340C, 345C, 351C and 354C.
C Requires minimum grade of C.

Schedule Type: Internship

Grading:
This course is graded on the Undergraduate Special scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 370: Upper Body Physical Assessment. 3 credits.
Examines the assessment and management techniques of general medical conditions and pharmacological principles and interventions. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

Recommended Corequisite: ATEP 361, ATEP 365, ATEP 367, ATEP 375.

Registration Restrictions:
Required Prerequisites: ATEP 330C, 340C, 345C, 351C and 354C.
C Requires minimum grade of C.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 375: Athletic Training Clinical Techniques 3. 3 credits.
Develops evaluation skills including special testing leading to diagnosis. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

Recommended Corequisite: ATEP 361, ATEP 365, ATEP 367, ATEP 370.

Registration Restrictions:
Required Prerequisites: ATEP 330C, 340C, 345C, 351C and 354C.
C Requires minimum grade of C.

Schedule Type: Laboratory

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

400 Level Courses
ATEP 400: Pathopharmacology. 3 credits.
Examines the assessment and management techniques of general medical conditions and pharmacological principles and interventions. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

Registration Restrictions:
Required Prerequisites: (ATEP 300C or 300XS) and (KINE 310C or 310XS)).
C Requires minimum grade of C.
XS Requires minimum grade of XS.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)
ATEP 441: Senior Seminar in Athletic Training. 3 credits.
Capstone educational experience focusing on current topics in the
Athletic Training Profession and career development issues. Offered
by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/
education-human-development/school-kinesiology/). Limited to three
attempts.

Mason Core: Capstone (http://catalog.gmu.edu/mason-core/)

Recommended Prerequisite: Grade of C or higher in ATEP 150, 180, 250,
254, 256, 260, 265, 270, 300, 350, 355, 356, 360, 365, 366; BIOL 124,
125; HEAL 110, 230; KINE 300, 360.

Schedule Type: Internship

Grading:
This course is graded on the Undergraduate Regular scale.
(http://catalog.gmu.edu/policies/academic/grading/)

ATEP 450: Administration and Management in Athletic Training. 3 credits.
Focuses on the professional management and administrative issues
in athletic training including the planning, designing, development,
organization, implementation, direction, and evaluation of a health
care program. Discusses current issues in athletic training related
to professional conduct and practice. Offered by School of Kinesiology
(http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/).
Limited to three attempts.

Registration Restrictions:
Students with a class of Freshman or Sophomore may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale.
(http://catalog.gmu.edu/policies/academic/grading/)

ATEP 457: Athletic Training Practicum 2. 1 credit.
Emphasizes physical assessment and therapeutic interventions of
the upper body with non-sport populations and assessment of general
medical conditions in a clinical practicum field experience under the
direct supervision of a preceptor for 75 hours. Offered by School of
Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-
development/school-kinesiology/). Limited to three attempts.

Recommended Corequisite: ATEP 450.

Registration Restrictions:
Required Prerequisites: ((ATEP 361 C or 361 XS) and (ATEP 365 C or 365 XS)
and (ATEP 367 C or 367 XS) and (ATEP 370 C or 370 XS) and (ATEP 375 C or
375 XS) and (ATEP 400 C or 400 XS)).
C Requires minimum grade of C.
XS Requires minimum grade of XS.

Schedule Type: Internship

Grading:
This course is graded on the Undergraduate Special scale.
(http://catalog.gmu.edu/policies/academic/grading/)

ATEP 460: Pediatric Sports Medicine. 3 credits.
Examines evidence-based practices for injury preventions, sport
safety, emergency preparedness, and risk management within youth
and scholastic sport. Offered by School of Kinesiology
(http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/).
Limited to three attempts.

Recommended Corequisite: ATEP 470, 476.

Registration Restrictions:
Required Prerequisites: (ATEP 300 C or 300 XS) and (KINE 310 C or 310 XS).
C Requires minimum grade of C.
XS Requires minimum grade of XS.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale.
(http://catalog.gmu.edu/policies/academic/grading/)

ATEP 466: Athletic Training Practicum 3. 2 credits.
Emphasizes injury prevention administration physical assessment and
therapeutic intervention during athletics preseason in a clinical practicum
field experience under the direct supervision of a preceptor for 150 hours.
Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/).
Limited to three attempts.

Registration Restrictions:
Required Prerequisites: ((ATEP 361 C or 361 XS) and (ATEP 365 C or 365 XS)
and (ATEP 367 C or 367 XS) and (ATEP 370 C or 370 XS) and (ATEP 375 C or
375 XS) and (ATEP 400 C or 400 XS)).
C Requires minimum grade of C.
XS Requires minimum grade of XS.

Schedule Type: Internship

Grading:
This course is graded on the Undergraduate Regular scale.
(http://catalog.gmu.edu/policies/academic/grading/)

ATEP 470: Post Rehabilitative Therapeutic Interventions. 2 credits.
Explores current topics of musculoskeletal injury prevention and
intervention. Investigates injury epidemiology, pain and nutritional
theories. Offered by School of Kinesiology (http://catalog.gmu.edu/
colleges-schools/education-human-development/school-kinesiology/).
Limited to three attempts.

Recommended Corequisite: ATEP 476.

Registration Restrictions:
Required Prerequisites: (ATEP 450 C and (ATEP 457 C or 457 XS) and
(ATEP 466 C or 466 XS)).
C Requires minimum grade of C.
XS Requires minimum grade of XS.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale.
(http://catalog.gmu.edu/policies/academic/grading/)

ATEP 476: Athletic Training Practicum 4. 4 credits.
Emphasizes physical assessment and therapeutic interventions of
the upper body in a clinical practicum field experience under the
direct supervision of a preceptor for 300 hours. Offered by School of
Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-
development/school-kinesiology/). Limited to three attempts.
Recommended Corequisite: ATEP 470.

Registration Restrictions:
Required Prerequisites: (ATEP 450C and (ATEP 457C or 457XS)) and (ATEP 466C or 466XS).
C Requires minimum grade of C.
XS Requires minimum grade of XS.

Schedule Type: Internship

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 480: Athletic Training Research. 3 credits.
Examines methods for critically evaluating clinical research techniques and interventions to improve patient outcomes specific to the practice of athletic training. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). Limited to three attempts.

Recommended Corequisite: ATEP 486.

Registration Restrictions:
Required Prerequisites: (ATEP 460C and 470C and (ATEP 476C or 476XS)).
C Requires minimum grade of C.
XS Requires minimum grade of XS.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 499: Independent Study in Athletic Training. 1-6 credits.
Study of a topic area in athletic training research, theory, or practice under direction of a faculty member. May be repeated, but not more than 6 total credits may be earned. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May be repeated within the degree.

Schedule Type: Independent Study

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

500 Level Courses
ATEP 510: Advanced Functional Anatomy. 3 credits.
Investigates the musculoskeletal anatomy including innervation, vascular anatomy, and function of the neck, trunk and limbs. Synthesizes anatomy, physiology, and human movement as it relates to injury; case studies are used to enhance the understanding of human anatomy and interpret movement impairments. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Prerequisite: Basic human anatomy and physiology and functional anatomy knowledge.

Recommended Corequisite: ATEP 520 and 525.

Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 520: Therapeutic Interventions Foundations. 3 credits.
Explores foundational knowledge and skills necessary for the safe, effective, and evidenced-based application of therapeutic interventions. Investigates physiologic response to injury and healing, physiologic cause of pain, physiologic response of tissue to therapeutic intervention including modalities and exercise. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Prerequisite: Basic human anatomy and physiology and functional anatomy knowledge.

Recommended Corequisite: ATEP 510 and 525.

Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 525: Athletic Training Foundations. 3 credits.
Investigates the knowledge, skill and professional foundations of the athletic training. Emphasizes is placed on the role of the athletic trainer as a member of the health care system by decision-making through evidence-based practice and foundational skills including fitting protective equipment and devices, and prophylactic preventative taping. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 510 and 520.

Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)
ATEP 530: Emergency Procedures for Athletic Trainers. 4 credits. 
Integrates the prevention, recognition, and management of injuries and illnesses during critical events relating to sudden death and prehospital care pertinent to athletic trainers. Develops knowledge, critical-thinking and problem-solving skills needed when applying emergency care principles and skills in a variety of clinical and professional settings. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 540, 545, 550, 555.

Registration Restrictions:
Required Prerequisites: ((ATEP 510^B^ or 510^XS^) and (ATEP 520^B^ or 520^XS^)) and (ATEP 525^B^ or 525^XS^)).

B^ Requires minimum grade of B.
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 540: Lower Body Physical Assessment. 3 credits. 
Analyzes principles of lower body physical assessment. Investigates mechanisms of injury, the evaluation process, and testing leading to diagnosis. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 530, 540, 550, 555.

Registration Restrictions:
Required Prerequisites: (ATEP 510^B^ or 510^XS^) and (ATEP 520^B^ or 520^XS^).

B^ Requires minimum grade of B.
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 545: Athletic Training Clinical Techniques 1. 3 credits. 
Applies principles of lower body, thoracic and lumbar spine physical assessment. Develops evaluation skills including special testing leading to diagnosis. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 530, 540, 550, 555.

Registration Restrictions:
Required Prerequisites: (ATEP 510^B^ or 510^XS^) and (ATEP 520^B^ or 520^XS^).

B^ Requires minimum grade of B.
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 550: Lower Body Therapeutic Interventions. 3 credits. 
Develops, implements, and evaluates treatment plans using therapeutic modalities and rehabilitation interventions in the treatment of lower body injuries and conditions. Establishes an evidence-based approach to therapeutic interventions use in patient treatment. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 530, 540, 550, 555.

Registration Restrictions:
Required Prerequisites: (ATEP 510^B^ or 510^XS^) and (ATEP 520^B^ or 520^XS^).

B^ Requires minimum grade of B.
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 555: Athletic Training Clinical Techniques 2. 3 credits. 
Applies therapeutic interventions for the lower body in a laboratory setting. Develops rehabilitation treatment plans and skills necessary to carry out patient care. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.
Recommended Corequisite: ATEP 530, 540, 545, 550.

Registration Restrictions:
Required Prerequisites: (ATEP 510B or 510XS) and (ATEP 520B or 520XS).
B- Requires minimum grade of B-
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Laboratory

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 560: Upper Body Therapeutic Interventions. 3 credits.
Utilizes an integrated approach to therapeutic interventions including modalities and rehabilitation in the treatment of upper body, head and neck injuries and conditions. Includes development, implementation, and evaluation of treatment plans for upper body, head and neck injuries. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 565, 566, 570, 575, 600.

Registration Restrictions:
Required Prerequisites: (ATEP 530B or 530XS) and (ATEP 540B or 540XS) and (ATEP 545B or 545XS) and (ATEP 550B or 550XS) and (ATEP 555B or 555XS).
B- Requires minimum grade of B-
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 565: Athletic Training Clinical Techniques 4. 3 credits.
Applies therapeutic interventions for the upper body, head and neck in a laboratory setting. Develops rehabilitation treatment plans and skills necessary to carry out patient care. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 560, 566, 570, 575, 600.

Registration Restrictions:

Required Prerequisites: (ATEP 530B or 530XS) and (ATEP 540B or 540XS) and (ATEP 545B or 545XS) and (ATEP 550B or 550XS) and (ATEP 555B or 555XS).
B- Requires minimum grade of B-
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Internship

Grading:
This course is graded on the Graduate Special scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 570: Upper Body Physical Assessment. 3 credits.
Analyzes principles of upper body physical assessment. Investigates mechanisms of injury, the evaluation process, and testing leading to diagnosis. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 560, 565, 566, 575, 600.

Registration Restrictions:
Required Prerequisites: (ATEP 530\textsuperscript{B} or 530\textsuperscript{XS}) and (ATEP 540\textsuperscript{B} or 540\textsuperscript{XS}) and (ATEP 545\textsuperscript{B} or 545\textsuperscript{XS}) and (ATEP 550\textsuperscript{B} or 550\textsuperscript{XS}) and (ATEP 555\textsuperscript{B} or 555\textsuperscript{XS}).

\textsuperscript{B} Requires minimum grade of B.

\textsuperscript{XS} Requires minimum grade of XS.

Enrollment is limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment limited to students with a major in Athletic Training.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 571: Orthopedic Bracing. 3 credits.
Provide instruction and experience in the fabrication, fitting and delivery of orthotic devices and related durable medical equipment. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May be repeated within the degree for a maximum 6 credits.

Registration Restrictions:
Required Prerequisites: (ATEP 540\textsuperscript{B} and 570\textsuperscript{B}).

\textsuperscript{B} Requires minimum grade of B.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 573: Special Topics. 3 credits.
Provide an understanding and appreciation of evidence-based practices in special topic areas of orthopedic practice including but not limited to: diagnostic imagining, surgical preparation practices and healthcare administration and leadership in clinical practice. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May be repeated within the degree for a maximum 6 credits.

Specialized Designation: Topic Varies

Registration Restrictions:
Required Prerequisites: (ATEP 540\textsuperscript{B} and 570\textsuperscript{B}).

\textsuperscript{B} Requires minimum grade of B.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 575: Athletic Training Clinical Techniques 3. 3 credits.
Apply principles of upper body, head and neck physical assessment. Develops evaluation skills including special testing, leading to diagnosis. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 560, 565, 566, 570, 600.

Registration Restrictions:
Required Prerequisites: (ATEP 530\textsuperscript{B} or 530\textsuperscript{XS}) and (ATEP 540\textsuperscript{B} or 540\textsuperscript{XS}) and (ATEP 545\textsuperscript{B} or 545\textsuperscript{XS}) and (ATEP 550\textsuperscript{B} or 550\textsuperscript{XS}) and (ATEP 555\textsuperscript{B} or 555\textsuperscript{XS}).

\textsuperscript{B} Requires minimum grade of B.

\textsuperscript{XS} Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to students with a major in Athletic Training.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.
Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Laboratory

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 599: Independent Study. 1-6 credits.
Studies topics in athletic training research, theory, or practice under direction of a faculty member. May be repeated, but not more than 6 total credits may be earned. Offered by School of Kinesiology. May be repeated within the degree. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May be repeated within the degree for a maximum 6 credits.

Registration Restrictions:
Enrollment is limited to students with a major in Athletic Training.

Enrollment limited to students in a Master of Science degree.

Schedule Type: Independent Study

Grading:
This course is graded on the Satisfactory/No Credit scale. (http://catalog.gmu.edu/policies/academic/grading/)

600 Level Courses

ATEP 600: Pathopharmacology. 3 credits.
Examines the assessment and management techniques of general medical conditions and pharmacological principles and interventions. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Prerequisite: Basic human anatomy and physiology and Functional Anatomy knowledge needed.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 650: Administration and Management in Athletic Training. 3 credits.
Focuses on the professional management and administrative issues in athletic training including the planning, designing, development, organization, implementation, direction, and evaluation of a health care program. Discusses current issues in athletic training related to professional conduct and practice. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Corequisite: ATEP 656.

Registration Restrictions: 

Required Prerequisites: (ATEP 560 or 560XS) and (ATEP 565 or 565XS) and (ATEP 566 or 566XS) and (ATEP 570 or 570XS) and (ATEP 575 or 575XS).

B- Requires minimum grade of B-.
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Internship

Grading:
This course is graded on the Graduate Special scale. (http://catalog.gmu.edu/policies/academic/grading/)

ATEP 656: Pediatric Sports Medicine. 3 credits.
Examines evidence-based practices for injury prevention, sport safety, emergency preparedness, and risk management within youth and scholastic sport. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/). May not be repeated for credit.

Recommended Prerequisite: Basic human anatomy and physiology and Functional Anatomy knowledge needed.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.
Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

**ATEP 667: Preseason Practicum.** 2 credits.
Emphasizes injury prevention, healthcare administration, clinical evaluation during and athletics pre-season clinical practicum field experience under the direct supervision of a preceptor for 150 to 200 hours. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/).
May not be repeated for credit.

**Registration Restrictions:**
**Required Prerequisites:** (ATEP 650B or 650XS) and (ATEP 656B or 656XS).
B- Requires minimum grade of B-.
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Internship

**Grading:**
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

**ATEP 670: Post Rehabilitative Therapeutic Interventions.** 2 credits.
Explores current topics of musculoskeletal injury prevention and intervention. Investigates injury epidemiology, pain and nutritional theories. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/).
May not be repeated for credit.

**Recommended Corequisite:** ATEP 660, 670.

**Registration Restrictions:**
**Required Prerequisites:** ((ATEP 660B or 660XS) and (ATEP 656B or 656XS) and (ATEP 670B or 670XS)).
B- Requires minimum grade of B-.
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Internship

**Grading:**
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

**ATEP 680: Athletic Training Organization & Professional Responsibility.** 3 credits.
Identifies and examines critical topics in athletic training healthcare including techniques and interventions to improve patient outcomes and reduce risk. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/).
May not be repeated for credit.

**Recommended Corequisite:** ATEP 686.

**Registration Restrictions:**
**Required Prerequisites:** (ATEP 660B or 660XS) and (ATEP 670B or 670XS) and (ATEP 676B or 676XS).
B- Requires minimum grade of B-.
XS Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)

**ATEP 686: Advanced Athletic Training Practice.** 6 credits.
Emphasizes professional development, evidence-based practice and integration of knowledge, skills and clinical decision-making during a clinical practicum field experience under the direct supervision of a preceptor for 375 to 475 hours. Offered by School of Kinesiology (http://catalog.gmu.edu/colleges-schools/education-human-development/school-kinesiology/).
May not be repeated for credit.

**Recommended Corequisite:** ATEP 680
Registration Restrictions:

Required Prerequisites: (ATEP 660\textsuperscript{B-} or 660\textsuperscript{XS}) and (ATEP 670\textsuperscript{B-} or 670\textsuperscript{XS}) and (ATEP 676\textsuperscript{B-} or 676\textsuperscript{XS}).

\textsuperscript{B-} Requires minimum grade of B-.

\textsuperscript{XS} Requires minimum grade of XS.

Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Junior Plus, Non-Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Internship

Grading:

This course is graded on the Graduate Regular scale. (http://catalog.gmu.edu/policies/academic/grading/)
