200 Level Courses

EDIT 201: Strategies for Online Learning Success. 1 credit.
Helps students assess their readiness for online learning using effective strategies for online interaction and activities designed to promote successful online experiences. Offered by Graduate School of Education. May not be repeated for credit.

Schedule Type: Lecture

400 Level Courses

EDIT 401: Introduction to Learning Technologies. 3 credits.
Provides an overview of the field of learning technologies, including its history, theoretical foundations, design processes, and technologies. Illustrates how learning technologies can be applied in a variety of teaching and training contexts including e-learning, educational software, instructional design, corporate training, and curriculum development. Offered by Graduate School of Education. May not be repeated for credit.

Schedule Type: Lecture

EDIT 413: Technology, Society, and the Culture of Learning. 3 credits.
Explores the relationship between technological change and education reform initiatives. Emphasis will be placed on the ways in which technological and social changes influence and shape the goals and outcomes of the K-12 educational process. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: EDUC 300.

Schedule Type: Lecture

EDIT 426: Web Accessibility and Design. 3 credits.
Provides instruction for accessible web design using HTML and existing authoring tools. Section 508 web accessibility standards and assistive technologies to access the computer will be explored. Notes: Class may be delivered via distance education. Offered by Graduate School of Education. May not be repeated for credit.

Schedule Type: Lecture

500 Level Courses

EDIT 504: Introduction to Educational Technology. 3 credits.
Examines uses of and issues in educational technology. Explores curriculum integration of technology, and focuses on learning and using commercially available applications software. Notes: Field experience in public schools will be required during course. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 526: Web Accessibility and Design. 1-3 credits.
Develops understanding of principles of universal web design. Students apply this understanding by designing and developing accessible web site using web authoring tools. Offered by Graduate School of Education. May not be repeated for credit. Equivalent to EDSE 526.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 530: Scripting and Programming. 2 credits.
Enables development of computer-based educational materials using widely known educational scripting language. Students explore basic authoring capabilities, and learn to apply those capabilities by designing and producing materials using commands, procedures, and functions of scripting language. Offered by Graduate School of Education. May be repeated within the term for a maximum 10 credits.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 561: Teaching with Telecommunications. 1 credit.
Develops expertise with various aspects of telecommunications tools, and models ways these tools can be used for personal learning and integration into teaching/learning process. Addresses e-mail, Internet, web, and online databases. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 562: Teaching with Databases. 1 credit.
Develops expertise with various aspects of databases, and models ways databases can be integrated into teaching and learning process. Focuses on strategies for searching, sorting, creating, and communicating with information, much of which is structured by variety of online and offline databases. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.
Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 563: *Teaching with Graphics.* 1 credit.
Explores various graphic programs available for constructing visual images. Addresses draw and paint programs, scanning and editing images, and using visual communication to support K-12 learning. Offered by Graduate School of Education. May not be repeated for credit.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Recommended Prerequisite:** EDIT 561.

**Schedule Type:** Lecture

EDIT 564: *Teaching with Web 2.0.* 2 credits.
Develops expertise with social, cognitive, and learning implications of film, video, and television. Engages students in process of planning, storyboarding, and filming with video. Offered by Graduate School of Education. May not be repeated for credit.

**Recommended Prerequisite:** EDIT 561.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 565: *Teaching with Educational Software.* 1 credit.
Explores variety of educational software, including simulations, problem-solving software, computational tools (calculators, probeware, LOGO, and spreadsheets), and drill-and-practice/integrated learning systems. Emphasizes ways these programs support K-12 teaching and learning process. Offered by Graduate School of Education. May be repeated within the degree for a maximum 2 credits.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 566: *Teaching with Multimedia/Hypermedia.* 2 credits.
Covers variety of hypertext/hypermedia and multimedia tools. Emphasizes students’ ability to use tools and then teach others. Covers the ways integration of tools in K-12 curriculum support learning, and difference between hypermedia and multimedia. Offered by Graduate School of Education. May be repeated within the degree for a maximum 2 credits.

**Recommended Prerequisite:** EDIT 563.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 567: *Teaching with Desktop Publishing.* 2 credits.
Explores variety of publishing tools, including word processors, desktop publishers, and idea processors. Emphasizes using tools to communicate. Covers design and layout principles, appropriate use of images to facilitate communication, and ways K-12 teachers can design opportunities for students to learn concepts. Offered by Graduate School of Education. May be repeated within the degree for a maximum 2 credits.

**Recommended Prerequisite:** EDIT 563.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 568: *Teaching with the Web.* 2 credits.
Examines the various aspects of web-based learning and the ways these tools can be integrated into the teaching/learning process. The course is taught online. Offered by Graduate School of Education. May not be repeated for credit.

**Recommended Prerequisite:** EDIT 561.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 571: *Visual Design and Applications.* 1-3 credits.
Provides basic knowledge of the range of capabilities of available graphic and visual design applications. Students learn to cultivate effective visual design practices for creating instructional products. Offered by Graduate School of Education. May be repeated within the term.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.
Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 572: Digital Audio/Video Design and Applications. 1-3 credits.
Provides basic knowledge of the range of capabilities of available audio and video design applications. Students learn to cultivate effective audio and video design practices for creating instructional products. Offered by Graduate School of Education. May be repeated within the term.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 573: Project Management. 1-3 credits.
Explores project management principles and applications used to manage, plan, and track large-scale, complex instructional design projects. Offered by Graduate School of Education. May be repeated within the term.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 574: Social Media and Digital Collaboration Applications. 1-3 credits.
Provides basic knowledge of the range of capabilities of available social networking, teleconferencing, and collaboration applications. Students learn to integrate the latest information and communication technologies into the creation of instructional products. Offered by Graduate School of Education. May be repeated within the degree for a maximum 3 credits.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 575: e-Learning Design Applications. 1-3 credits.
Provides basic knowledge of available applications for creating, delivering, managing and tracking e-learning experiences. Students learn to create instructional products using the latest e-learning design applications. Notes: Content customized to particular software tool presented. Offered by Graduate School of Education. May be repeated within the term.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 576: Mobile Learning and Applications. 1-3 credits.
Explores current best practices and techniques required to deliver effective learning content through mobile devices. Students learn pedagogical approaches to mobile learning as well as investigate various mobile platforms and applications. Offered by Graduate School of Education. May be repeated within the term for a maximum 3 credits.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 590: Educational Research in Technology. 3 credits.
Focuses on developing skills, insights, and understanding basics to performing research with emphasis on interpretation, application, critique, and use of findings in educational settings. Students develop expertise in action research methodology, design, and implementation. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 597: Special Topics in Education. 1-6 credits.
Provides advanced study on selected topic or emerging issue in American or international education. Notes: May be repeated for credit with GSE permission. Offered by Graduate School of Education. May be repeated within the term.

Registration Restrictions:
Enrollment limited to students with a class of Advanced to Candidacy, Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level students.

Students in a Non-Degree Undergraduate degree may not enroll.
600 Level Courses

EDIT 601: Instructional Design and Technology (IDT) Portfolio. 1 credit.
Enables students to create and publish digital portfolio that
demonstrates effective and meaningful integration and syntheses
of instructional design and technology concepts, principles, and
competencies learned across program courses at mid-degree program
point. Notes: To be taken at mid-degree program point with minimum 12
and maximum 15 credits. Offered by Graduate School of Education. May
not be repeated for credit.

**Recommended Prerequisite:** Minimum of 12 credits and a maximum of
15 credits.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy,
Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level
students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 611: Innovations in e-Learning. 3 credits.
Explores leading-edge learning technologies and their integration into
the e-learning design process. Hands-on activities focus on technology
planning, selection, implementation, and evaluation utilizing instructional
design best practices. Offered by Graduate School of Education. May not
be repeated for credit.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy,
Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level
students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 641: Understanding Virtual Schools. 1 credit.
Develops knowledge about online learning for K-12 students. Examines
history and trends of online learning, and characteristics of K-12 virtual
learners. Offered by Graduate School of Education. May not be repeated for
credit.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy,
Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level
students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 642: The Online Academy. 1 credit.
Develops knowledge about Mason’s virtual high school. Focuses on
design model with attention to representative problems, performances
of understanding, communities of practice, and mentors. Offered by
Graduate School of Education. May not be repeated for credit.

**Recommended Prerequisite:** EDIT 641. Concurrent enrollment is also
permitted.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy,
Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level
students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 643: Online Mentoring I: Building Virtual Relationships. 1 credit.
Assists in developing online mentoring skills related to integral role that
building relationships plays in success of online learning. Offered by
Graduate School of Education. May not be repeated for credit.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy,
Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level
students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 644: Online Mentoring II: Promoting Self-Regulation. 1 credit.
Assists in developing online mentoring skills related to integral role that
self-regulation plays in success of online learning. Offered by Graduate
School of Education. May not be repeated for credit.

**Recommended Prerequisite:** EDIT 643.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy,
Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level
students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture

EDIT 645: Online Mentoring III: Conceptual Learning. 1 credit.
Assists in developing online mentoring skills related to role of support
of conceptual and content understanding in success of online learning.
Offered by Graduate School of Education. May not be repeated for credit.

**Recommended Prerequisite:** EDIT 644.

**Registration Restrictions:**
Enrollment limited to students with a class of Advanced to Candidacy,
Graduate, Non Degree or Senior Plus.

Enrollment is limited to Graduate, Non-Degree or Undergraduate level
students.

Students in a Non-Degree Undergraduate degree may not enroll.

**Schedule Type:** Lecture
700 Level Courses

EDIT 701: Advanced Instructional Design and Technology (IDT) Portfolio. 1 credit.
Enables students to create and publish a digital portfolio that demonstrates effective and meaningful integration and syntheses of instructional design and technology concepts, principles, and competencies learned across program courses at end-degree program point. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Required Prerequisite: (EDIT 601B).
B- Requires minimum grade of B.

Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 704: Instructional Technology Foundations and Theories of Learning. 3 credits.
Reviews practical and pedagogical issues related to design and development of technological instruction. Emphasizes investigating instructional design as a field and community of practice, and reviewing core learning theory constructs applicable to design of instructional technology. Offered by Graduate School of Education. May be repeated within the degree for a maximum 3 credits.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 705: Instructional Design. 3 credits.
Helps students analyze, apply, and evaluate principles of instructional design to develop education and training materials spanning a wide range of knowledge domains and instructional technologies. Focuses on variety of instructional design models, with emphasis on recent contributions from cognitive science and related fields. Offered by Graduate School of Education. May not be repeated for credit. Equivalent to EDCI 705.

Recommended Prerequisite: Teaching or Training Experience or equivalent.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 706: Business of Learning Design and Technologies. 3 credits.
Explores the business issues underlying the selection, implementation and evaluation of technology-based learning interventions. Focuses on developing the skills necessary to improve performance and achieve measurable, positive change that supports an organization's strategic goals. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: EDIT 705 or instructor permission.

Registration Restrictions:
Schedule Type: Lecture

EDIT 751: Overview of Learning Analytics and Big Data. 3 credits.
Explores the tools, technologies and methods for capitalizing on data stored in enterprise-wide information systems to support executive-level learning and performance support decision-making. Focuses on demonstrating the bottom line business value of learning through evidence-based talent needs. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: Admission to Executive Chief Learning Officer (ECLO) Certificate Program, or permission of advisor.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 752: Design and Implementation of Technology-based Learning Environments. 3 credits.
Students design and produce multimedia/hypermedia applications based on current theory and research in instructional design and cognitive science. Examines user needs, information models, structure, and media selection and uses to inform design and production of final project. Offered by Graduate School of Education. May be repeated within the degree for a maximum 3 credits.

Registration Restrictions:
Required Prerequisite: (EDIT 732\textsuperscript{B}).
\textsuperscript{B} Requires minimum grade of B.

Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 760: Online Teachers and Learners. 1 credit.
Examines the attributes of teachers and K-12 learners with emphasis on attitudes, behaviors, and adaptations required by online teachers and learners. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 761: Models of Online Learning. 2 credits.
Provides opportunities for learners to identify, explore, and evaluate a range of educational models for K-12 online learning. These include blended learning (web-enhanced, web-supported), the flipped classroom, mentor-mentee dyad, group collaborative, synchronous, asynchronous, parent directed e-learning, mobile learning, and web-delivered programmed instruction. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 762: Quality K-12 Online Learning. 1 credit.
Examines and evaluates quality indicators for the design of online learning pointing to the six major areas for consideration: instructor-learner, learner-learner, learner-content, learner-interface, learner-instructional strategies, and social presence. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 763: Tools for K-12 Online Learning. 2 credits.
Examines tools that structure and support online learning with particular emphasis on the unique affordances of each tool including tools for producing, delivering, and supporting online learning. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 764: The ART of Online Communication. 3 credits.
Examines strategies to assess, respond to, and target online communication and develops expertise in questioning and listening, supporting self-regulation, and clarifying conceptual understanding using a series of case studies and role playing activities. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 765: Facilitating K-12 Online Learning. 2 credits.
Develops expertise in facilitating and moderating online learning to include synchronous and asynchronous environments, community building strategies, questioning strategies, prompting reflection, and facilitating conceptual understanding. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 766: Understanding Online Presence. 2 credits.
Examines impacts of distance on teachers and learners and develops strategies to establish teacher presence, to establish and express self, to promote learner-learner connections, and to compensate for the separation of teacher-learner and learner-learner. Offered by Graduate School of Education. May not be repeated for credit.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.
Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 767: Designing K-12 Online Learning. 3 credits.
Develops frameworks for designing and structuring online learning opportunities and emphasizes course content and learning outcomes, selection of appropriate online models, and organization of online lessons and courses, online learning tools, and assessment and evaluation strategies. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.

EDIT 768: K-12 Online Design I. 1 credit.
Focuses on the creation of online courses appropriate for K-12 learners and culminates in comprehensive design documents that detail goals, assessments, learning tools, and detailed scripts or documents ready for the production phase. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.

EDIT 769: K-12 Online Design II. 1 credit.
Provides basic knowledge of available applications and platforms for creating contextually-based learning environments such as immersive virtual worlds, simulated worlds, alternate reality games, and massive multiplayer online role playing games for e-learning. Offered by Graduate School of Education. May be repeated within the term.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.

EDIT 770: Principles of School-Based Design. 3 credits.
Explores ways in which PreK-12 teachers can design digital environments that connect learners' ability to search, sort, create, communicate, and synthesize information and information resources with learning activities. Emphasizes teachers' ability to design for digital citizenship and information use. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: EDIT 780.

EDIT 771: Overview of Media. 1-3 credits.
Provides an overview of media and technology tools used in teaching, learning and training. Focuses on developing skills necessary to implement digital media approaches using a systematic design process. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.

EDIT 772: Virtual Worlds, Augmented Reality, and Gaming Applications. 1-3 credits.
Examines continuum of human-computer feedback. Offered by Graduate School of Education. May be repeated within the term.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.

EDIT 773: Human Computer Interface Design for Teaching and Learning. 3 credits.
Examines continuum of human-computer feedback. Offered by Graduate School of Education. May be repeated within the term.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.

EDIT 777: Human Computer Interface Design for Teaching and Learning. 3 credits.
Examines continuum of human-computer feedback. Offered by Graduate School of Education. May be repeated within the term.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.

EDIT 778: Principles of School-Based Design. 3 credits.
Examines continuum of human-computer feedback. Offered by Graduate School of Education. May be repeated within the term.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.

EDIT 780: Principles of School-Based Design. 3 credits.
Develops frameworks for designing and structuring online learning opportunities and emphasizes course content and learning outcomes, selection of appropriate online models, and organization of online lessons and courses, online learning tools, and assessment and evaluation strategies. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.

EDIT 781: Designing for Information Using. 3 credits.
Examines continuum of human-computer feedback. Offered by Graduate School of Education. May be repeated within the term.

Recommended Prerequisite: Admission to MED in Curriculum and Instruction Concentration in Blended and Online Learning in Schools.
Schedule Type: Lecture

EDIT 782: Designing for Literacy. 3 credits.
Explores 21st century definitions of literacy related to multiple symbolic environments (e.g. visual, numeric, alphabetic). Examines the practice of design that integrates technology to promote literacy competence across media and across PreK-12 abilities and interests. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: EDIT 780 and EDIT 781.

Recommended Corequisite: EDIT 783.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.
Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 783: Designing for Problem Solving. 3 credits.
Examines problem solving as an educational goal, as a cognitive process, and as a series of strategies and habits of mind. Emphasizes and provides practice in the design of digital problem solving environments where technology affords opportunities at the intersection of content learning and problems solving. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: EDIT 780 and EDIT 781.

Recommended Corequisite: EDIT 782.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.
Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 784: Designing for Community Participation. 3 credits.
Explores the impact of social media, globalization, collaboration, and diversity as they influence, enable, and challenge learners’ ability to participate in a variety of community settings. Emphasizes the practice of design strategies to prepare PreK-12 learners to use technology for learning and participating in various and diverse communities. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: EDIT 782 and EDIT 783.

Recommended Corequisite: EDIT 785.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.
Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 785: Designing School-Based Digital Learning. 3 credits.
Develops frameworks for designing and structuring school-based digital learning. Emphasizes the interaction of design, technology, and content learning to influence teachers’ practice in service of PreK-12 learners’ abilities to problem solve, use information, participate productively in communities, become knowledgeable, and effectively communicate. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: EDIT 782 and EDIT 783.

Recommended Corequisite: EDIT 784.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.
Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 786: Design and Teacher Leadership. 3 credits.
Investigates how a design lens intersects with and informs PreK-12 teacher leadership and school-based learning initiatives. Examines a variety of PreK-12 teacher leadership roles and design-based leadership as an integral part of classroom, grade-level, school, and community practice. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: DDLS certificate or completion of MEd in Curriculum and Instruction Concentration: Integration of Technology in Schools or Equivalent.

Recommended Corequisite: EDIT 791.

Registration Restrictions:
Enrollment is limited to Graduate or Non-Degree level students.
Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Lecture

EDIT 787: Coaching Advocacy Digital Learning. 3 credits.
Investigates how fluency as coaches and mentors enables PreK-12 teacher leaders to support colleagues in the design of classroom and school-based digital learning. Explores advocacy as a strategy to engage colleagues and communities in the design of school-based initiatives related to teaching, learning, technology. Offered by Graduate School of Education. May not be repeated for credit.

Recommended Prerequisite: EDIT 786 and EDIT 791.

Recommended Corequisite: EDIT 792.

Schedule Type: Lecture

EDIT 790: Practicum in Instructional Technology. 1-6 credits.
Provides supervised practice in applying knowledge and skills of student’s chosen track through placement in appropriate work setting. Offered by Graduate School of Education. May be repeated within the degree for a maximum 6 credits.

Registration Restrictions:
Enrollment is limited to Graduate level students.
Students in a Non-Degree Undergraduate degree may not enroll.

Schedule Type: Independent Study

EDIT 791: Project Development Practicum I. 1-6 credits.
Engages students in the application of design and production process for the solution of learning challenges with particular emphasis on the design and development phase of the design process. Offered by Graduate School of Education. May be repeated within the degree for a maximum 6 credits.
**Recommended Prerequisite:** EDIT 768.

**Registration Restrictions:**
Enrollment is limited to Graduate level students.

Students in a Non-Degree Undergraduate degree may **not** enroll.

**Schedule Type:** Lecture

EDIT 792: Project Development Practicum II. 1-6 credits.
Facilitates the application of design and production processes to the solution of learning challenges with particular emphasis on the implementation and evaluation phase of the design process. Offered by Graduate School of Education. May be repeated within the degree for a maximum 6 credits.

**Recommended Prerequisite:** EDIT 769.

**Registration Restrictions:**
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may **not** enroll.

**Schedule Type:** Lecture

EDIT 797: Advanced Topics in Education. 1-6 credits.
Advanced study of selected topics in education for students preparing for doctoral studies or who have been admitted to the PhD program in education. Notes: May be repeated for credit with CEHD approval. Offered by Graduate School of Education. May be repeated within the degree.

**Registration Restrictions:**
Enrollment is limited to Graduate or Non-Degree level students.

Students in a Non-Degree Undergraduate degree may **not** enroll.

**Schedule Type:** Lecture

800 Level Courses

EDIT 801: Nature and Process of Design. 3 credits.
Examines multi- and cross-disciplinary perspectives on the nature and process of designing and developing learning technologies. Offered by Graduate School of Education. May not be repeated for credit.

**Registration Restrictions:**
Enrollment is limited to students with a major in Education.

Enrollment is limited to Graduate level students.

Enrollment limited to students in a Doctor of Philosophy degree.

**Schedule Type:** Seminar

EDIT 802: Cognition and Technology: A Multidisciplinary Approach. 3 credits.
Examines learning interactions between cognition and technology using multiple disciplinary perspectives including, cognitive science, psychology, neuroscience, education, design theory, instructional design, technology design, anthropology, sociology, information science, philosophy, semiotics, and linguistics. Offered by Graduate School of Education. May not be repeated for credit.

**Registration Restrictions:**
Enrollment is limited to students with a major in Education.

Enrollment is limited to Graduate level students.

EDIT 803: Design-Based Research. 3 credits.
Provides an introduction to systematic cycles of design-based research in education. Applicable to all content domains to explore cycles of research within design, development and implementation of educational and training interventions. Offered by Graduate School of Education. May not be repeated for credit.

**Recommended Prerequisite:** EDIT 801

**Registration Restrictions:**
Enrollment is limited to Graduate level students.

**Schedule Type:** Lecture

EDIT 891: Design Research Practicum. 1-9 credits.
Applies multiple design research cycles to an identified research problem to systematically test and improve technology-based product interventions or other curriculum/training strategies or materials in order to systematically develop knowledge related to teaching, learning and/or training in context. Offered by Graduate School of Education. May be repeated within the degree for a maximum 9 credits.

**Recommended Prerequisite:** EDRS 811, EDRS 812, and EDIT 803 or equivalent.

**Registration Restrictions:**
Enrollment is limited to Graduate level students.

**Schedule Type:** Internship

EDIT 895: Emerging Trends in Learning Technologies. 3 credits.
Covers selected emerging trends in learning technologies. Examines ways learning technologies provide infrastructure for creating, managing, and evaluating innovative types of teaching-learning environments. Offered by Graduate School of Education. May not be repeated for credit.

**Recommended Prerequisite:** Admission to the Ph.D. program or permission of instructor.

**Registration Restrictions:**
Enrollment is limited to students with a major in Education.

Enrollment is limited to Graduate level students.

**Schedule Type:** Seminar
