Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 219: American Sign Language (ASL) III. 4 credits.
Focuses on intermediate level skills in American Sign Language (ASL) and Deaf culture. Increases competencies in person-to-person conversational signing, including expressive and receptive skills, vocabulary, syntax, semantics, and pragmatics. Offered by Graduate School of Education. Limited to three attempts.

Registration Restrictions:
Required Prerequisite: EDSE 116 C.
C Requires minimum grade of C.

Schedule Type: Laboratory, Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 241: Characteristics of Students with Disabilities: High-incidence. 3 credits.
Examines the academic, social, and behavioral characteristics of individuals with high-incidence disabilities such as learning disabilities, emotional/behavioral disorders, intellectual disability, autism, and attention deficit disorder. Focuses on etiology, contributing factors, impact on life and family, the challenges of identifying students with disabilities, and the need for intensive instruction, accommodations, and support. Offered by Graduate School of Education. Limited to three attempts. Equivalent to EDSE 440.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 251: Classroom Management and Positive Behavior Supports. 3 credits.
Focuses on describing how school and classroom methods are used to establish effective learning environments for individuals with varying degrees of disabilities. Explores classroom and behavior management including technology, social skills, and effective teaching behaviors. Emphasizes developing school and classroom behavior management plans. Field experience required. Offered by Graduate School of Education. Limited to three attempts.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.
300 Level Courses

EDSE 311: Characteristics of Students with Blindness and Visual Impairments. 3 credits.
Provides an overview of the characteristics of and services to persons with blindness and visual impairments, including the impact of blindness and visual impairment on infants' and children's growth and development, child and adolescent emotional and social development, and family interaction patterns. Considers the educational, conceptual, psychosocial, and physical implications of a visual impairment. Offered by Graduate School of Education. Limited to three attempts. Equivalent to EDSE 411.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 315: American Sign Language (ASL) IV. 3 credits.
Focuses on strengthening expressive and receptive communication in American Sign Language (ASL) through the development of narrative and storytelling skills. Explores the importance of these skills within the Deaf Community. Explores issues of multiculturalism, linguistic code-switching, and language dominance, particularly in relationship to Deaf education. Offered by Graduate School of Education. Limited to three attempts.

Registration Restrictions:
Required Prerequisite: EDSE 219C.
C Requires minimum grade of C.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 341: Language Acquisition and Reading Development. 3 credits.
Examines language and reading skills for typical and atypical students and describes language and reading instruction for students with disabilities who access the general curriculum. Explores emergent literacy skills, sound and symbol relationships, spelling development, phonemic awareness, phonics, vocabulary development, and comprehension. Analyzes informal assessment methods to monitor students' reading progress. Offered by Graduate School of Education. Limited to three attempts.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 351: Technology Integration for Specialized Instruction. 3 credits.
Reviews applications of recent educational and assistive technology for instruction. Evaluates strategies for effective integration of mainstreamed instructional technology to promote student learning, successful implementation of individualized assistive technology to access general education curriculum, and delivery of accessible online and blended instruction to all learners through technology-based innovations and Universal Design for Learning. Offered by Graduate School of Education. Limited to three attempts.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 352: Assessment. 3 credits.
Offers knowledge and learning activities related to assessment of students with varying degrees of disabilities. Includes statistical and psychometric concepts in assessment. Addresses norm-referenced, criterion-referenced, curriculum-based, and informal assessment for instructional and placement decisions. Offered by Graduate School of Education. Limited to three attempts.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 353: Individualized Behavior Supports. 3 credits.
Focuses on identifying, recording, evaluating, and developing comprehensive plans for changing social and academic behaviors of individuals with disabilities. Emphasizes analyzing the function of individuals' behaviors and developing responsive behavior intervention plans. Offered by Graduate School of Education. Limited to three attempts.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 354: Consultation and Collaboration. 3 credits.
Provides professionals in special education, general education, and related fields with knowledge and skills necessary for collaboration with a wide variety of stakeholders. Emphasizes developing and implementing individualized education programs for individuals with disabilities using a team approach. Demonstrates active listening, group process, and problem-solving strategies. Offered by Graduate School of Education. Limited to three attempts.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 351: Characteristics of Students with Severe Disabilities. 3 credits.
Examines the academic, social, medical and behavioral characteristics of individuals with severe disabilities such as intellectual disability, autism, traumatic brain injury, and severe/multiple cognitive, physical and/or sensory disabilities. Focuses on etiology, contributing factors, impact on life and family, the challenges of identifying students with disabilities, and the need for intensive instruction, accommodations, and support. Offered by Graduate School of Education. Limited to three attempts.

Schedule Type: Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 352: Communication with Severe Disabilities. 3 credits.
Provides an overview of augmentative and alternative communication (AAC) for individuals with severe speech and language impairments. Addresses the knowledge and skills needed to assess the potential AAC user, make team decisions, develop and implement instruction, and evaluate the effects of instruction aimed at motivating, building, and expanding communication, choice-making, and social interaction. Offered by Graduate School of Education. Limited to three attempts.

**Grading:**
This course is graded on the Undergraduate Regular scale.

**EDSE 403: Language Development and Reading.** 3 credits.
Identifies literacy skills for typical and atypical students, and describes reading, language, and writing instruction for students with mild disabilities who access the general curriculum. Explores emergent literacy skills, phonemic awareness, vocabulary development, and comprehension. Note: Field experience required. Offered by Graduate School of Education. Limited to three attempts.

**Recommended Prerequisite:** EDSE 401 and EDSE 440.

**Schedule Type:** Lecture

**EDSE 411: Characteristics of Students with Visual Impairments.** 2 credits.
Provides an overview of the characteristics of and services to persons with visual impairments, including the impact of visual impairment on infants’ and children’s growth and development, child and adolescent emotional and social development, and family interaction patterns. Considers the educational, conceptual, psychosocial, and physical implications of a visual impairment. Notes: Course delivered online. Offered by Graduate School of Education. Limited to three attempts. Equivalent to EDSE 311.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Undergraduate Regular scale.

**EDSE 412: Braille Code.** 3 credits.
Provides understanding of the literary code of Braille and its implications for educational/literacy programs for students with a visual disability. Enables students to better understand the Braille code and how to teach it to students with a visual disability. Notes: Delivered online. Offered by Graduate School of Education. Limited to three attempts.

**Recommended Prerequisite:** EDSE 311. Concurrent enrollment is also permitted.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Undergraduate Regular scale.

**EDSE 413: Medical and Educational Implications of Blindness and Visual Impairments.** 3 credits.
Provides an introduction to anatomy and physiology of the visual system and the educational implications of visual pathology. Covers anatomy of the human eye, normal visual development, pathology of the eye, examination procedures for the identification of visual pathology, and the effects of pathology on visual learning and development. Offered by Graduate School of Education. Limited to three attempts.

**Recommended Prerequisite:** EDSE 311, which may be taken concurrently.

**Schedule Type:** Lecture
Grading:
This course is graded on the Undergraduate Regular scale.

EDSE 414: Orientation and Mobility for Students with Blindness and Visual Impairments. 2 credits.
Provides the foundation for understanding the components and essence of orientation and mobility (O&M). Establishes how the need for independent travel in the blind population created the field of O&M. Explores the philosophy and history of orientation and mobility, including cane instruction, dog guides, and methods of travel. Addresses techniques in developing orientation skills and basic mobility instruction. Emphasizes motor and concept skill development. Offered by Graduate School of Education. Limited to three attempts.

Recommended Prerequisite: EDSE 311, which may be taken concurrently

Schedule Type: Lecture

EDSE 417: Teaching Methods for Students with Blindness and Visual Impairments. 3 credits.
Emphasizes methods of teaching compensatory skills, the core curriculum, and technology for use by students who are blind and visually impaired. Addresses curriculum development, adaptations, and teaching methodology for individuals with visual impairments. Provides information on adaptations within various educational programs and adaptation of general education classroom materials and procedures for use with blind and low vision children and youth. Offered by Graduate School of Education. Limited to three attempts.

Recommended Prerequisite: EDSE 311, which may be taken concurrently

Schedule Type: Lecture

EDSE 418: Curriculum and Assessment of Students with Blindness and Visual Impairments. 3 credits.
Provides students with knowledge and understanding of the educational assessment of students with visual impairments and additional disabilities including deaf-blindness. Provides practice assessing and planning educational programs for students with visual impairments. Addresses assessment of technology for students with visual impairments. Examines determination of learning needs and appropriate learning media, relationship of assessment, IEP development, and placement. Notes: Field experience required. Offered by Graduate School of Education. Limited to three attempts.

Recommended Prerequisite: EDSE 311, which may be taken concurrently

Schedule Type: Lecture

EDSE 419: Braille Reading and Writing. 3 credits.
Provides basic instruction on transcription of advanced Braille codes, including music, foreign language, chemistry, computer Braille, and Nemeth code (Braille math code). Introduces techniques for teaching skills in each code. Explores technology tools used to create Braille and tactile materials in addition to other assistive technologies used for instruction in math and science. Notes: Field experience required. Offered by Graduate School of Education. Limited to three attempts.

Recommended Prerequisite: EDSE 311, which may be taken concurrently

Schedule Type: Lecture

EDSE 420: Deaf Culture. 3 credits.
Studies the cultural practices, ideology, power, identity, and heritage of Deaf people in the United States. Analyzes Deaf community as a part of societal diversity. Recommended Prerequisite: EDSE 410. Requires minimum grade of C.

Schedule Type: Lecture

EDSE 428: Elementary Reading, Curriculum, Strategies for Students Who Access the General Education Curriculum. 3 credits.
Applies research on instructional approaches in elementary curriculum for individuals with disabilities accessing general education curriculum. Includes curriculum and instructional strategies in reading, language arts, mathematics, science, social studies; cognitive strategies in study skills; attention and memory; and peer-mediated instruction. Note: Field experience required. Offered by Graduate School of Education. Limited to three attempts.

Recommended Prerequisite: EDSE 311

Schedule Type: Lecture

EDSE 432: Positive Behavior Supports. 3 credits.
Explores concepts and skills needed to design, implement, and evaluate positive behavior support programs, derived from functional assessment, to support the specific needs of students with severe disabilities. Addresses relevant replacement skills; facilitates generalization and maintenance of skills; applies instructional strategies to support behavior, and incorporates individually designed crisis intervention procedures. Offered by Graduate School of Education. Limited to three attempts.

Recommended Prerequisite: EDSE 410. Requires minimum grade of C.

Schedule Type: Lecture

EDSE 434: Communication and Severe Disabilities. 3 credits.
Introduces professionals to augmentative and alternative communication (AAC) for individuals with severe speech and language impairments. Addresses the knowledge and skills needed to assess the potential AAC user, make team decisions, develop and implement instruction, and evaluate the effects of instruction aimed at motivating, building, and
expanding communication, choice-making, and social interaction. Offered by Graduate School of Education. Limited to three attempts.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Undergraduate Regular scale.

**EDSE 440:** *Characteristics of Students with Disabilities Who Access the General Curriculum*. 3 credits.
Examines the characteristics of students with mild disabilities. Focuses on etiology, contributing factors, conditions that affect learning, the challenges of identifying students with disabilities, and the need for academic, social, and emotional accommodations and support. Note: School-based field experience required. Offered by Graduate School of Education. Limited to three attempts. Equivalent to EDSE 241.

**Schedule Type:** Lecture

**Grading:**
This course is graded on the Undergraduate Regular scale.

**EDSE 441:** *Instructional Strategies for Reading and Writing*. 3 credits.
Integrates knowledge of language assessments and the components of quality reading instruction to plan well-sequenced and explicit instruction for students with disabilities in the general education curriculum. Examines objectives that align with curriculum standards while still providing individualization. Implements and applies reading and writing instruction to support learning in all content areas. Field experience required. Offered by Graduate School of Education. Limited to three attempts.

**EDSE 466: Clinical Practice and Seminar 1: Adapted (Severe Disabilities).** 2 credits.
Applies coursework in Special Education-Adapted Curriculum (Severe Disabilities) to planning and supervised instruction of students with severe disabilities who access the adapted curriculum in K-12 school settings. Engages in reflection to analyze instruction within the clinical experience setting. Includes a 2-hour seminar held seven times throughout the semester and a minimum of 75 hours of fieldwork in a K-12 clinical experience setting. Offered by Graduate School of Education. Limited to three attempts.

**EDSE 467: Foundations of Language and Literacy for Individuals with Severe Disabilities.** 3 credits.
Examines the complexity of language acquisition and literacy development. Focuses on typical and atypical language development, connections between language and literacy, and diversity of communication styles in families and cultures. Emphasizes first and second language acquisition. Field experience required. Offered by Graduate School of Education. Limited to three attempts.

**EDSE 469: Interdisciplinary Approach for Children with Sensory and Motor Disabilities.** 3 credits.
Focuses on adaptive strategies for working with individuals who have sensory needs including physical, visual, auditory, and oral needs. Emphasizes positioning, handling, and adaptive strategies and on understanding how sensory and sensory-motor issues impact individuals in a learning environment. Focuses on understanding the roles of related disciplines in collaborative planning and service delivery. Offered by Graduate School of Education. Limited to three attempts.

**EDSE 481: Internship: Professional Services.** 12 credits.
Applies university coursework in Special Education to individuals with disabilities in a variety of community or school-based settings in supervised internship. Applies coursework, theories, and research to professional service settings. Sites chosen by client/stakeholders after approval of faculty supervisors. Includes a 2-hour seminar held six times throughout the year. Offered by Graduate School of Education. Limited to three attempts.

**EDSE 482: Internship: General.** 12 credits.
Applies university coursework in Special Education-General Curriculum to instruction of students with disabilities who access the general curriculum in two supervised internship settings, including an elementary and secondary school placement. Includes a 2-hour seminar held six times throughout the semester. Note: Prior to registration, students must demonstrate that VDOE-required teacher assessments and First Aid/CPR/AED certification for licensure have been met, and application for internship must be on file by program deadline. Offered by Graduate School of Education. Limited to three attempts.

**EDSE 487: Foundations of Language and Literacy for Individuals with Severe Disabilities.** 3 credits.
Examines the complexity of language acquisition and literacy development. Focuses on typical and atypical language development, connections between language and literacy, and diversity of communication styles in families and cultures.
