300 Level Courses

FNAN 300: Personal Financial Management. 3 credits.
Emphasis is on understanding the importance of developing financial goals and how financial decisions affect those goals throughout their lifetime. In addition, students will develop their own financial goals along with a financial plan that would enable them to meet those goals. This course may be taken for regular grading or S/NC. Students must notify instructor which option they want. FNAN 300 may be taken for general elective credit by School of Business students. Offered by School of Business. May not be repeated for credit.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Special scale.

FNAN 303: Financial Management. 3 credits.
Introduction to managing a firm’s financial resources given wealth maximization decision criterion. Includes working capital management, fixed-asset investment, cost of capital, capital structure, and dividend decision analysis. Notes: School of Business students will not be permitted to make more than three attempts to achieve a C or higher in FNAN 303. Those who do not successfully complete this course within three attempts will be terminated from their major and will not be eligible to receive a degree from the School of Business. For more information about this, see Termination from the Major section under Academic Policies. Lecture, problems, and discussion. Requires attendance in weekly lectures and recitations. The final exam for FNAN 303 may be scheduled to take place for all sections at the same time during the final exam period. Accommodations will be made for exam and religious conflicts and for certain official university-sponsored activities. Offered by School of Business. Limited to two attempts. Equivalent to FNAN 301.

Students with the terminated from BU major attribute may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale.

FNAN 451: Real Estate Finance. 3 credits.
Studies mechanisms of real estate finance, sources of funds, loan
contracts, principles of mortgage risk analysis, and secondary mortgage
markets. Develops analytical skills including using microcomputer
and appropriate software. Offered by School of Business. May not be
repeated for credit.

Registration Restrictions:
Required Prerequisites: (FNAN 351C or L351).
C Requires minimum grade of C.
Students with a class of Freshman or Sophomore may not enroll.
Non-Degree level students may not enroll.
Students with the terminated from BU major attribute may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale.

FNAN 454: Real Estate Development. 3 credits.
Examines commercial real estate development process and principles
plus actual residential, office, retail, and industrial projects. Includes
financial analytical techniques to investigate project feasibility, density,
financing viability, cash flows, and valuation. Emphasis placed on real-
world, entrepreneurial, decision-making skills for developing commercial
real estate. Lecture, discussion, project analysis. Offered by School of
Business. May not be repeated for credit.

Registration Restrictions:
Required Prerequisites: (FNAN 351C or L351).
C Requires minimum grade of C.
Students with the terminated from BU major attribute may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale.

FNAN 462: Honors Seminar in Finance. 3 credits.
Provides an in-depth study and analysis of contemporary developments
and topics of interest in finance. Topics and format will vary. Enrollment
is limited and competitive. Offered by School of Business. May not be
repeated for credit.

Registration Restrictions:
Enrollment limited to students with a class of Senior Plus or Senior.
Enrollment is limited to students with a major in Finance.
Non-Degree or Washington Consortium level students may not enroll.
Students with the terminated from BU major attribute may not enroll.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale.

FNAN 477: Student Managed Investment Fund. 3 credits.
Provide each student with real world and hands-on experience in security analysis and portfolio construction through the management of the GMU Student Managed Investment Fund. Participants will collectively make investment decisions of the fund, the overall portfolio composition, and will employ various financial models used to assess sector, industry and individual security strength/weakness in their decision-making. Students will be required to perform the necessary quantitative and qualitative work, Bloomberg analysis, and present their research to all other fund members/faculty each semester. Security selection will be based on a diversified equity portfolio approach seeking to enhance risk-adjusted returns versus commonly used market benchmarks. Faculty and professional mentors will train students in the application of fundamental analysis and security selection through several lecture/workshop sessions. Increased interaction with the DC area investment community. Offered by School of Business. May not be repeated for credit.

Registration Restrictions:
Required Prerequisites: FNAN 311 B- or 341 B-.
B- Requires minimum grade of B-.

Schedule Type: Lecture

Grading:
This course is graded on the Undergraduate Regular scale.

FNAN 491: Special Topics in Finance. 3 credits.
Advanced study of special topics in finance. Offered by School of Business. May not be repeated for credit.

Registration Restrictions:
Required Prerequisites: (FNAN 301 C or L301) or FNAN 303 C.
